Home and Community-Based Services – Adult Mental Health Program Can Help

Who is eligible?

If you are 18 or older, have a mental health diagnosis and qualify for Medicaid, you might be eligible for the program if you have:

- Spent a long time living in a psychiatric hospital.
- Had multiple arrests.
- Had multiple emergency room visits.
- A history of mental health crises.

We provide the following support:

- Host home and companion care
- Supervised living services
- Assisted living
- Supported home living
- Rehabilitation services
- Employment services
- Home-delivered meals
- Transition assistance
- Adaptive aids
- Transportation services
- Community psychiatric supports and treatment
- Peer support
- Respite services
- Substance use disorder services
- Nursing services
- Recovery management services
- Minor home modifications

To learn more about the program and your local mental or behavioral health authority, call 2-1-1.
