The below is a definition for each column:

**Actual Sept 1, 2021 Client Count** - Number of Clients at the beginning of the biennium.

**Total Number of Slots at the end of the FY** - This figure is the number of projected waiting list clients at the end of FY 2023.

**Current Month Count** - This figure is the number of unique clients served this month, who were removed from the waiting list and eligible to receive program services during the biennium.

**Difference** - This figure is the difference between the Total number of slots at the end of the FY and the Current Month Count. If the number is negative, more clients were removed from the waiting list during the biennium and received a service than slots appropriated.

**FY 2023 Budgeted (average for the Fiscal Year)** - This figure is consistent with the *FY22-23 Slots Appropriated* column.

Projected FY 2023 Average - Average number of clients per program for October 2022 through September 2023 based on HHSC Forecasts.
