Coordinated Expenditures

Fiscal Year 2018 Coordinated Statewide Behavioral Health Expenditure Proposal

• Provides information obtained from Statewide Behavioral Health Coordinating Council member agencies and institutions of higher education regarding $3.9 billion in behavioral health funding, including Medicaid behavioral health funding.

• Links expenditures to strategies in the strategic plan to demonstrate how state appropriations will be used to further goals during fiscal year 2018.

• Strategic plan goals, objectives, and strategies assist agencies and institutions of higher education in enhancing coordination, eliminating redundancy, and ensuring optimal service delivery.
