## BUDGET VARIANCES

Schedules 1, 3 and 5 of this report reflect the trends for caseloads and costs and assumptions regarding collected revenues and federal funds included in HHSC's 2016 Operating Budget submitted December 1, 2015, with three additional transfers requiring notification only since the submission. We have not included in this report a number of appropriation adjustments impacting budget variances in Schedules 1, 3 and 5 that were included in the agency's Operating Budget. These adjustments will be included in future reports only as required notifications are submitted, approvals received, and/or revenues collected.

Note also that Schedule 3 indicates balances in the variance column for certain estimated appropriations that HHSC projects will not be fully realized and for others that HHSC anticipates will exceed the initial H.B.1 appropriation.

- Appropriations that are anticipated to result in lapsed budget authority because revenues will not be collected are expressed as a positive variance (705 Medicaid Program Income, 3643 Premium Co-payments, Low Income Children, 8070 Vendor Drug Rebates – CHIP, and 666 Appropriated Receipts).

- Appropriations for which revenues are projected to exceed the SB 1 estimate are reflected as a negative variance (706 Vendor Drug Rebates - Medicaid, 8081 Vendor Drug Rebates – Supplemental, 8092 Medicare Giveback Provision, 8062 Appropriated Receipts - Match for Medicaid, and 777 Interagency Contracts).

In an effort to focus on anticipated general revenue shortfalls and/or surpluses, HHSC has increased the Operating Budget column prior to actual revenue collection for those federal funds that it projects will exceed the H.B.1 estimate and has decreased the Operating Budget for those for which federal revenues are anticipated to be less than the H.B.1 estimate.

#### SIGNIFICANT CHANGES FROM PREVIOUS REPORT

This is the ninth report for appropriation year 2016. An adjustment was made to reflect the transfer of funds from A.1.2. Integrated Eligibility & Enrollment to D.1.3. Disaster (L) for expenditures related to the areas affected by severe storms, tornadoes, straight-line winds, and flooding (FEMA-DR-4245, FEMA-DR-4266 and FEMA-DR-4269).

A second adjustment was done to reflect the collection of revenue that exceeds the amount appropriated by the 84<sup>th</sup> Legislature for CHIP Experience Rebates (ABEST 8054)(P).

#### OTHER KEY BUDGET ISSUES

The Method of Finance used throughout the report is based upon currently known federal cost allocation factors and methodologies and will be updated as required by the federal government, which could result in future Method of Finance adjustments.
