- (4) Has at least one year of experience navigating a child-serving system (e.g. mental health, juvenile justice, social security, or special education) as a parent or LAR; and
 - (5) Has ability to perform the duties of a Family Partner as outlined in the Texas Resilience and Recovery (TRR) Utilization Management (UM) Guidelines.
 - (6) Each Family Partner must have successfully completed the certified family partner training and passed the certification exam recognized by the department within one year of the date of hire for the role of Family Partner.
Additional information on peer resources can be found at <https://hhs.texas.gov/services/mental-health-substance-use/childrens-mental-health/childrens-mental-health-family-partner-support-services>
- h) Maintain a toll free phone number for routine services and for crisis services posted on the contractor's website and on any other advertising documents used.
- i) An individual must answer the phone during regular business hours and there should be a voicemail, answering service, or other system of the LMHA's choosing utilized for after hour inquiries and there should be a voicemail or answering service utilized for after hour inquiries.
- j) System Agency-funded providers must not deny access to services at any level solely based on age, race, religion, gender, sexual orientation, substance use or abuse, or disability including chronic illness and medical conditions, including pregnancy or Human Immunodeficiency Virus (HIV).
- k) Through its local board, appoint, charge and support one or more Planning and Network Advisory Committees (PNACs) necessary to perform the committee's advisory functions, as follows:
- (1) The PNAC shall be composed of at least nine members, 50 percent of whom shall be clients or family members of clients, including family members of children or youth, or another composition approved by System Agency; and include at least one person with lived experience with homelessness or housing instability;
 - (2) PNAC members shall be objective and avoid even the appearance of conflicts of interest in performing the responsibilities of the committee;
 - (3) Contractor shall establish outcomes and reporting requirements for each PNAC;
 - (4) Contractor shall ensure all PNAC members receive initial and ongoing training and information necessary to achieve expected outcomes. Contractor shall ensure that the PNAC receives training and information related to 25 TAC Chapter 412, Subchapter P (Provider Network Development) and that the PNAC is actively involved in the development of the Consolidated Local Service Plan and the Provider Network Development Plan;
 - (5) Contractor shall ensure the PNAC has access to all information regarding total funds available through this Statement of Work for services in each program area and required performance targets and outcomes;
 - (6) Contractor shall ensure the PNAC receives a written copy of the final annual budget and biennial plan for each program area as approved by Contractor's Board of Trustees, and a written explanation of any variance from the PNAC's

recommendations;

- (7) Contractor shall ensure that the PNAC has access to and reports to Contractor's Board of Trustees at least quarterly on issues related to: the needs and priorities of the LSA; implementation of plans and contracts; and the PNAC's actions that respond to special assignments given to the PNAC by the local board;
- (8) Contractor may develop alliances with other LMHAs to form regional PNACs; and
- (9) Contractor may develop a combined mental health and Intellectual and Developmental Disability (IDD) PNAC. If Contractor develops such a PNAC, the 50 percent client and family member representation shall consist of equal numbers of mental health and IDD clients and family members. Expanded membership may be necessary to ensure equal representation.

2. Policy Development and Management

Contractor shall develop, implement, and update policies and procedures to address the needs of the LSA in accordance with state and federal laws and the requirements of this Statement of Work. Policies shall include consideration of public input, best value and client care issues.

3. Coordination of Service System with Community and System Agency

Contractor shall:

- a) Adhere to System Agency directives related to Client Benefits Plan as described in Information Item H.
- b) Ensure coordination of services within the LSA. Such coordination shall ensure collaboration with other agencies, including local hospitals, nursing facilities, other health and human service agencies, criminal justices entities, nonprofit and for-profit housing providers, Substance Abuse Community Coalition Programs, Prevention Resource Centers, Outreach Screening Assessment and Referral organizations, other child-serving agencies (e.g., Texas Education Agency (TEA), Department of Family and Protective Services (DFPS), Texas Juvenile Justice Department (TJJD), family advocacy organizations, local businesses, and community organizations). Evidence of the coordination of services shall be maintained. Evidence may include memorandums of agreement, memorandums of understanding, sign-in sheets from community strategic planning activities, or sign-in sheets from community-based focus group meetings.
- c) In accordance with applicable rules, ensure that services are coordinated:
 - (1) Among network providers; and
 - (2) Between network providers and other persons or entities necessary to establish and maintain continuity of services.
- d) Designate a physician to act as the Medical Director and participate in medical leadership activities. Submit this staff person's contact information as part of Form S, Contact List.

- e) Designate a staff member to act as the Continuity of Care Liaison and participate or delegate participation in discharge planning activities. Submit this staff person's contact information as part of Form S, Contact List.

- f) Ensure client has an appointment scheduled with a physician or designee authorized by law to prescribe needed medications, if the Continuing Care Plan, as defined in 25 TAC Chapter 412, Subchapter D, Mental Health Services – Admission, Continuity, and Discharge, as it exists at the time of Contract execution or as modified/amended or replaced during the Contract term, indicates that the LMHA/LBHA is responsible for providing or paying for psychotropic medications.

- g) Provide discharge planning in accordance with 25 TAC Chapter 412, Subchapter D, Mental Health Services – Admission, Continuity, and Discharge as it exists at the time of Contract execution or as modified/amended or replaced during the Contract term. This includes, but is not limited to:
 - (1) At the time of an individual's admission to a State Mental Health Facility or a facility with a HHSC-funded bed, the designated LMHA/LBHA, if applicable, and the SMHF or facility with an HHSC-funded bed must begin discharge planning for the individual.
 - (2) The individual and the individuals legally authorized representative, if any; and any other person authorized by the individual must be involved in discharge planning.
 - (3) The designated LMHA/LBHA Continuity of Care Liaison, or other designated staff must collaborate with the State Mental Health Facility or a facility with a HHSC-funded bed must collaborate with the facility to ensure the development and completion of the discharge plan before the individual's discharge.
 - (4) All activities associated with discharge planning for an individual in any HHSC-funded psychiatric bed shall be documented by the performing agency using the continuity of care service code H0032.

- h) The appointment shall be on a date prior to the earlier of the following events:
 - (1) The exhaustion of the client's supply of medications; or
 - (2) The expiration of 14 days from the client's discharge or furlough from a State Mental Health Facility (SMHF).

- i) Provide individuals a choice of qualified physicians or designees authorized by law to prescribe needed medications, programmatic consultations, signature authority, and other medical consultative services through face-to-face encounters or via tele-medicine to the maximum extent possible. This shall be accomplished by the following, listed in order of precedence:
 - (1) Employing a qualified physician or designee authorized by law to prescribe needed medications;
 - (2) Contracting with a qualified physician or designee authorized by law to prescribe needed medications;
 - (3) Establishing a coverage plan that will assure individuals needs are met when the employed or contracted physician will be unavailable

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- (4) Notifying System Agency within one business day if both employing and contracting with a qualified physician or designee authorized by law to prescribe needed medications is not possible for any period of time during the contract period. Planned efforts shall be documented and submitted to System Agency by contractor who shall seek technical assistance from System Agency if this situation persists for 5 consecutive business days within the contract period. All efforts shall be continued and documented and the contractor shall provide choice to individuals as outlined below until the situation has been remedied;
 - (5) Referring the individual to a qualified physician or designee authorized by law to prescribe needed medications who is not employed or contracted by the contractor but is within 75 miles of the individual's residence;
 - (6) If the contractor lacks the capacity to meet any of the above requirements, contractor shall identify the nearest available non-local (more than 75 miles from the individual's residence) qualified physician or designee authorized by law to prescribe needed medications. If the individual indicates the distance to the provider is not a barrier to accessing services, then Contractor shall refer the individual to the available service provider. Contractor shall document the discussion with the individual and the individual's decision regarding traveling to the non-local provider. If the individual indicates that the distance to the non-local qualified physician or designee authorized by law to prescribe needed medications is a barrier to accessing services, Contractor shall document a strategy to establish access to a provider.
- j) Provide clients a choice among all eligible network providers in accordance with 25 TAC, Chapter 412, Subchapter P (Provider Network Development).
- k) Offer each Level of Care (LOC) as outlined in the TRR UM Guidelines and provide central services available within each LOC. All central services must be available to individuals through face-to-face encounters or via tele-medicine/tele-health. This shall be accomplished by the following, listed in order of precedence:
- (1) Employing staff who meet the qualifications (i.e. licensure, training, and/or competency) to provide the central service;
 - (2) Contracting with providers who meet the qualifications (i.e. licensure, training, and/or competency) to provide the central service;
 - (3) Notifying System Agency immediately if neither employing nor contracting with a qualified provider is possible for fifteen consecutive days during the contract term. This notification shall include the contractor's plan to resolve the unavailability of services. All efforts shall be continued and documented and the contractor shall provide choice to individuals as outlined in (4) and (5) below until the situation has been remedied:
 - (4) Referring the individual to a qualified provider who is not employed or contracted by the contractor but is within 75 miles of the individual's residence;
 - (5) If the contractor lacks the capacity to meet any of the above requirements, contractor shall identify the nearest available non-local (more than 75 miles from the individual's residence) qualified provider. If the individual indicates the distance to the provider is not a barrier to the individual accessing services, then

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

Contractor shall refer the individual to the available service provider. Contractor shall document the discussion with the individual and the individual's decision regarding traveling to the non-local provider. If the individual identifies that the distance to the non-local qualified provider is a barrier to accessing services, Contractor shall document a strategy to establish access to the central service.

- j) Develop an adequate array of qualified service providers in the provider network for the provision of the Youth Empowerment Services (YES) Waiver program, in accordance with the YES Waiver Policy and Procedure Manual (YES Manual), incorporated by reference and posted at <https://hhs.texas.gov/doing-business-hhs/provider-portals/behavioral-health-services-providers/youth-empowerment-services-waiver-providers>. This shall be accomplished by:
- (1) Contracting and/or employing qualified providers of the YES Waiver service array;
 - (2) Offering and providing access to all services in the YES array, and delivering requested services on a System Agency-approved Individual Plan of Care (IPC) within 10 business days of IPC approval, or later at the participant or LAR's request;
 - (3) Providing participant choice among qualified providers of individual services;
 - (4) Providing access to qualified providers within 30 miles of the participant's residence in urban areas and 75 miles in rural areas; and
 - (5) Contractor shall serve as a Comprehensive YES Waiver provider and Wraparound Provider Organization (WPO) to assure:
 - (a) YES waiver participants are offered provider choice,
 - (b) YES waiver participants have access to adequate continuity of waiver services despite changes in contract status or unavailability of providers contracted with system agency, and
 - (c) Contracted providers are able to offer sufficient service capacity to meet community need.
 - (6) Providing the central service available within LOC YES, as outlined in the TRR UM Guidelines, as specified in Section I.3.i of this statement of work, and for the entire geographical service area. Central services include Wraparound (as delivered by a WPO) and Comprehensive Waiver Provider (CWP) services. A WPO is currently defined as a qualified entity responsible to coordinate waiver services to individuals enrolled in the YES Waiver and to develop a person-centered plan using the National Wraparound Implementation Center (NWIC) model. As Contractor serves as both the CWP and the WPO, Contractor shall mitigate conflict of interest by maintaining a clear separation of provider and WPO functions by ensuring the following:
 - (a) The distinct individual staff member of the WPO must be administratively separate from other comprehensive YES Waiver provider functions and any related utilization review units and functions.
 - (b) The distinct individual staff member of the WPO shall not be the provider of a YES Waiver service that is on the IPC of a YES participant other than the services provided by the WPO.
 - (c) CWP services are being provided free of conflict and in accordance with

requirements outlined by Centers for Medicare and Medicaid Services (CMS) and in the Code of Federal Regulations, Titled 42, Chapter IV, Subchapter C, Part §441, and the YES Manual;

- (d) The programs are operating with conflict of interest protections in place that are approved by System Agency, and developing and maintaining policies that keep the YES CWP role administratively separate from the provision of case management services for participants in the YES Waiver.

- k) Operate a continuity of care and services program for offenders with mental impairments, in compliance with Texas Health & Safety Code Chapter 614, and the guidelines outlined in Data Exchange and Continuity of Care Guidelines, Information Item T. Contractor shall:
 - (1) Assist Community Supervision and Corrections Department (CSCD) and Texas Juvenile Justice Department (TJJJ) personnel with the coordination of supervision for offenders who are LMHA clients. This shall include:
 - (a) Providing the local CSCD(s) and TJJJ(s) with the name(s) of LMHA personnel who will serve as the contact(s) for continuity of care and services program referrals from the local CSCD(s) and TJJJ(s);
 - (b) Participating in joint staffing related to offenders who are LMHA clients in order to review compliance with treatment and supervision;
 - (c) Providing input on modifications of supervision conditions;
 - (d) Coordinating with CSCD and TJJJ(s) personnel on imposing new conditions, sanctions and/or a motion to revoke/adjudicate in order to explore all possible alternatives to incarceration;
 - (e) Coordinating on the development of a joint supervision and Recovery plan if governing standards for the respective participants can be adhered to in the proposed plan; and
 - (f) Participating in quarterly meetings with the CSCD and TJJJ(s) Director(s) or her/his designee to review the implementation of activities related to the coordination of supervision.
 - (2) Offer and provide technical assistance and training to the CSCD and TJJJ(s) and other criminal justice entities (pre-trial, jail, courts) on mental health and related issues.
 - (3) Assist criminal justice and judicial agencies with the identification, and diversion of offenders who have a history of state mental health care through a local continuity of care and services program.
 - (4) Review available records of each incarcerated individual who has been formally determined to be Incompetent to Stand Trial and assist criminal justice and judicial agencies with diversion of offenders through a local continuity of care and services program. - (c) If the UM Director is not licensed, she/he can oversee the UM Program administratively but not clinically. Clinical oversight must be conducted by a Licensed Practitioner of the Healing Arts (LPHA).
- (2) A Utilization Reviewer or Utilization Care Manager, who is a Qualified Mental Health Professional Community Services (QMHP-CS), shall have at least three years' of experience in direct care for adults with serious mental illness or children and youth with serious emotional disturbances, and directly supervised by a qualified utilization manager.
- e) Ensure that UM job functions are included in each UM staff member's job description and documentation of licenses, training, and supervision maintained in the staff member's signed and approved personnel record.
- f) Ensure that the UM Committee meets at least quarterly to ensure effective management of clinical resources, fiscal resources, and the efficiency and ongoing improvement of the UM process. Contractor shall ensure and document that members of the UM Committee receive appropriate training to fulfill the responsibilities of the committee. Training is needed when a new member is added to the committee and as needed, at least annually, for the entire committee. Documentation of training contents may be included in committee minutes. The committee shall review:
- (1) Appropriateness of eligibility determinations;
 - (2) Use of exceptions and overrides to service authorization ensuring rationale is clinically appropriate and documented in the administrative and clinical record;
 - (3) Over- and under-utilization;
 - (4) Appeals and denials;
 - (5) Fairness and equity; and
 - (6) Cost-effectiveness of all services provided.
- g) Implement a UM Program using System Agency's approved TRR UM Guidelines that includes documented and approved processes and procedures for:
- (1) Authorization and reauthorization of LOC for outpatient services;
 - (2) Authorization of inpatient admissions to state hospitals and to community psychiatric hospitals and reauthorization for continued stay when general revenue allocation or local match funding is being used for all or part of that hospitalization;
 - (3) Verification and documentation that services provided are medically necessary;
 - (4) The role for UM in ensuring continuity and coordination of services among multiple mental health community service providers;

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- (5) A timely authorization system designed to ensure medically necessary services are delivered without delay and after requested services have been authorized (backdating of authorizations is not permissible). Crisis services do not require prior authorization; however, the authorization shall be completed within two business days after the provision of the crisis intervention service;
 - (6) Automatic authorization processes shall be based on a documented agreement with providers that only allows automatic authorization if the LOC recommended is the same as the LOC to be authorized, and only with providers who have documented competence in assessment using the UA;
 - (7) Timely notification of clients and providers of the authorization determinations;
 - (8) A timely and objective appeal process in accordance with 25 TAC §401.464 and for Medicaid recipients, in accordance with 25 TAC §412.313(b) (2) (c), and Procedures to Give Notice of Fair Hearings, Information Item Q; and
 - (9) Maintaining documentation on appeals.
- h) Each biennium, review and update the quality management plan that includes the UM Program Plan and ensure that the plan includes a description of:
- (1) Requirements relating to the UM Committee credentials, meetings, and training;
 - (2) How the UM Program's effectiveness in meeting goals shall be evaluated;
 - (3) How improvements shall be made on a regular basis;
 - (4) How the content of Items I. A. 5. c) – e) in this Statement of Work are addressed and included as a part of the UM Program Plan; and
 - (5) The oversight and control mechanisms to ensure that UM activities meet required standards when they are delegated to an administrative services organization or a System Agency-approved entity.
- i) Contractor shall comply with the System Agency TRR Waiting List Maintenance requirements for all individuals (adult or child/youth) who have requested mental health services from Contractor that Contractor anticipates will not be available upon request for such services:
- (1) Initial Intake and Placement on Waiting Lists – Contractor shall develop and ensure the implementation of procedures to triage and prioritize service needs of individuals determined eligible for a LOC but for which Contractor has reached or exceeded its capacity to provide the LOC. These procedures shall include a process for the assessment of an individual's urgency of needs using the Child and Adolescent Needs and Strengths Assessment (CANS) or Adult Needs and Strengths Assessment (ANSA) and a requirement that they be placed immediately on a waiting list for the unavailable LOCs for which they are determined to be eligible. The waiting list shall include individuals who are underserved due to resource limitations as well as those who have been authorized for LOC – 8 waiting for all services. Individuals with Medicaid entitlement or whose assessment indicates a need for LOC 0-crisis services shall not be placed on a waiting list. All medically necessary services shall be provided in timeframes specified by System Agency. Clients with Medicaid who are determined to be in need of Case Management and/or Medicaid Mental Health Rehabilitative Services shall be authorized for a LOC that meets their needs and shall not be underserved

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

or placed on the waiting list. If an individual is determined to have an urgent need for services (e.g. use of crisis services), they shall be given priority to enter ongoing services.

- j) Specific Requirements for Medicaid Recipients –
- (1) General - Contractor shall deliver services to an individual who is a Medicaid recipient and has an identified need for Targeted Case Management or Mental Health Rehabilitative Services, and such an individual shall not be put on the waiting list. Individuals who were assessed to need Targeted Case Management or Mental Health Rehabilitative Services but did not become Medicaid eligible until after they were placed on the waiting list may not remain on a waiting list for longer than 60 calendar days. The date of eligibility will be the Medicaid Certification date or the Medicaid Effective date, whichever is later. A person who declines all services from Contractor may be taken off the waiting list.
 - (2) Mental Health Rehabilitative and Mental Health Targeted Case Management Services (both Intensive and Routine) - Medicaid recipients who are eligible for full Medicaid benefits shall not be placed on a waiting list for medically necessary Targeted Case Management or Mental Health Rehabilitative Services. Contractor shall make these services available to the individual whenever such services are indicated by the UA and in accordance with the TRR UM Guidelines. If the UA process recommends that an individual receive a LOC that includes one or both of these services and a LPHA determines that the service or services are not medically necessary, the LPHA shall document the reasons that the service is not indicated.
 - (3) Other Medicaid Mental Health Services - For Medicaid recipients who are eligible for full Medicaid benefits and have an identified need for medically necessary mental health services other than Mental Health Rehabilitative Services and Targeted Case Management (such as counseling or physician's services), Contractor shall remove them from the waiting list and provide these services to the individual or refer the individual to other local Medicaid providers. Contractor shall provide assistance with the referral if requested by the client. Contractor shall document actions taken on behalf of the client.

If Contractor lacks the capacity to deliver the services and no qualified local Medicaid provider is available, Contractor shall identify the nearest qualified Medicaid provider of the needed service or services. If the distance to the nearest available non-local (more than 75 miles from the individual's residence) provider is not, in the individual's opinion, a barrier to the individual accessing services, then Contractor shall refer the individual to the available service provider. Contractor shall document the discussion with the individual and the individual's decision regarding traveling to the non-local provider.

Contractor may place an individual on a waiting list for the needed service only if Contractor lacks the capacity to provide the needed service and there are no other internal or external qualified or accessible providers available to deliver the needed service. In such cases, Contractor shall review the availability of the

ATTACHMENT A01
PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

service monthly in order to ensure that the individual receives the needed service once it becomes available. Contractor shall document the steps taken in the client file.

- (4) Policies and Procedures for Waiting List Management – Contractor shall develop and maintain written policies and procedures that ensure that individuals who are already on a waiting list and subsequently establish Medicaid eligibility are identified, removed from the waiting list, and provided services as indicated and in accordance with this Statement of Work.
- k) Contractor shall assess clients on the waiting list at least every 180 days using the CANS or ANSA.
- l) Monitoring and Maintenance Requirements
 - (1) Frequency of Monitoring:
 - (a) Contractor shall ensure that individuals on the waiting list(s) who have an LOC-A 8 (waiting for all services) with an LOC-R of Adult LOC 3 or 4 and all children/youth on the waiting list are monitored at least once every 30 days from the date of placement on the waiting list to determine the continued need. Contractor shall ensure that individuals on the Waiting List(s) who have an LOC-A 8 (waiting for all services) with an LOC-R of Adult LOC 1 or 2 are monitored at least once every 90 days from the date of placement on the waiting list to determine the continued need. This monitoring shall be conducted by a QMHP-CS and shall include a brief clinical screening to determine the current urgency of need.
 - (b) Contractor shall remove individuals placed on the waiting list when the individual begins to receive the recommended LOC, or no longer wants services. Except as described above, Contractor shall allow individuals who seek services to remain on the waiting list if the service need continues to be indicated and the individual desires to remain on the waiting list.
 - (c) If the client is not able to be contacted during the 30-day period for all children/youth on the waiting list and Adults with LOC-R of 3 or 4, or during the 90 day period for Adults with LOC-R of 1 or 2, Contractor shall document good faith efforts to contact that person or his/her LAR to determine the continued need for services. Good faith efforts are defined as two or more attempts to contact the client, collateral or LAR regarding service needs. (A “collateral” or “collateral contact” is a source of information that is knowledgeable about the consumer or the consumer’s life situation and serves to support or augment the available information relating to a consumer or the consumer’s needs. Possible collateral contacts include, but are not limited to past or present landlords, employers, school officials, neighbors, teachers, day care providers, and friends. One effort to contact must be in the form of a letter.) Other efforts may be phone calls or letters to client’s home, job-site, or school. The QMHP-CS or designated staff may want to review the CARE system/ Clinical Management for Behavioral Health Services (CMBHS) for designated collateral contacts who may assist in locating clients. Contacts with collaterals are subject to System Agency confidentiality requirements.

ATTACHMENT A01
PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

Based on the information gathered, the waiting list data shall be updated. If the client has not been contacted after a good faith effort has been made, the client may be removed from the waiting list. However, the client shall not be removed from the waiting list until at least 30 days after the preceding contact.

- (2) Individuals who have limited financial resources
 - (a) Contractor shall demonstrate that individuals who are placed on the waiting list for medically necessary services receive a screening for benefits assistance.
 - (b) Contractor shall notify its UM staff of dates relevant to each application (filed by or on behalf of a consumer screened or served by Contractor) for medical or other public assistance. For a Medicaid application, such dates include at a minimum, the date which benefits begin (known as the “effective” date) and the date of notification of benefit (known as the “certification” date).
 - (3) Waiting List Manual – Contractor shall implement processes defined in the most current version of the Waiting List Maintenance Manual contained in TRR Waiting List Maintenance Manual, Information Item R.
 - (4) An active duty military service member or the spouse or children of an active duty service will be maintained on the waiting list as defined in Information Item R.
- m) Pursuant to TAC Title 25, Part 1, Chapter 412 Subchapter G pertaining to Access to Mental Health Community Services and Standards of Care, contractor shall utilize the Inpatient Care Waitlist (ICW) through CMBHS within one business day of the LMHA determination that a client requires inpatient services, and there are no resources available in the local service area, i.e., no beds available locally or at the contractor’s designated state hospital. Each contractor is to designate a primary and secondary staff person to act as the contact person to participate in Inpatient Care Waitlist activities. These individuals will be responsible for communicating with HHSC and other parties relating to Inpatient Care Waitlist daily or on an as needed basis. Submit these staff person’s contact information as part of Form S, Contact List.
6. Oversight of Authority and Provider Functions
- Contractor shall:
- a) Objectively monitor and evaluate service delivery and provider performance including providing oversight information to Contractor’s Board.
 - b) Ensure that each provider’s non-compliance is corrected.
 - c) Require providers to use at least a Level One certified sign language interpreter and to use a Level Three certified sign language interpreter, if available, for persons with hearing impairments who request sign language interpreter services.
 - d) Follow the National Culturally and Linguistically Appropriate Services (CLAS) Standards in Health and Health Care, 2013 (or the most current version) for all served populations in accordance with the most current version of “Texas Cultural Competence Guidelines for Behavioral Health Organizations” available at: <https://hhs.texas.gov/doing-business-hhs/provider-portals/behavioral-health-services->

[providers](#). This guidance document comprises a set of requirements, implementation strategies, and additional resources to help providers/programs establish and expand culturally and linguistically appropriate services.

- e) Assist in the completion of Mental Health Adult Client or Child and Family surveys as required by System Agency.

- f) Implement a Quality Management Program that includes:
 - (1) A structure that ensures the program is implemented system-wide including the involvement of stakeholders;
 - (2) Allocation of adequate resources for implementation;
 - (3) Oversight by staff members with adequate and appropriate experience in quality management;
 - (4) Activities and processes that address identified clinical and organizational problems including data integrity and the processes to evaluate and continuously improve data accuracy;
 - (5) An established set of remedies and timeline options for areas that need improvement or correction;
 - (6) Routine reporting of Quality Management Program activities to its governing body, providers, other appropriate organizational staff members, and community stakeholders;
 - (7) Consistent analysis of grievance, appeal, fair hearings, and expedited hearings, mortality, and incident/accident data as part of the Quality Management process;
 - (8) Measuring, assessing, and improving Contractor's local authority functions;
 - (9) Processes to systematically monitor, analyze, and improve performance of quality management activities, administrative services, client services and outcomes for individuals;
 - (10) A biennial update of the Quality Management Plan approved by the governing board;
 - (11) Review of provider services to determine whether it is consistent with System Agency' approved Evidence-Based Practices (EBPs), accuracy of assessments, and person-directed recovery planning;
 - (12) Ongoing monitoring of the quality of access to services, service delivery, and continuity of care;
 - (13) Ongoing monitoring of medical services in accordance with TAC Title 25, Part 1, Chapter 415, Subchapter A pertaining to Prescribing of Psychoactive Medications;
 - (14) Provision of technical assistance to providers related to quality oversight necessary to improve the quality and accountability of provider services;
 - (15) Use of reports and data from System Agency to inform performance improvement activities and assessment of unmet needs of individuals, service delivery problems, and effectiveness of authority functions for the LSA;
 - (16) Oversight of all services, contracts, and subcontractors, regardless of the amount of funding;
 - (17) Oversight to ensure compliance with and the quality of the TRR practices to include monitoring fidelity to the service models defined by System Agency and

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

requiring providers to participate in oversight; including an annual continuous quality improvement measurement of the fidelity of EBPs for children and adolescent services utilizing the EBP fidelity tools approved by System Agency.

(a) Fidelity monitoring is required for the following Children’s Mental Health (CMH) EBPs:

- i. Cognitive Behavior Therapy
- ii. Trauma Focused – Cognitive Behavior Therapy
- iii. Seeking Safety
- iv. Aggression Replacement Techniques

(b) Fidelity monitoring is recommended for the following CMH EBPs and promising practices:

- i. Wraparound Planning
- ii. Nurturing Parenting
- iii. Safety Planning Intervention: The Safety Plan Intervention (SPI; Stanley & Brown, 2011) is a brief 20 to 45-minute intervention that provides an individual with a set of steps that can be used progressively to attempt to reduce risk and maintain safety when suicidal thoughts emerge. SPI should follow a comprehensive risk assessment after strong rapport has been developed. Safety plans should be developed within a collaborative process among the provider, the individual at risk, and his or her close family or friends. Safety planning can be a stand-alone intervention, utilized during crisis contacts (e.g., in emergency departments, mobile crisis contacts) or as a part of an on-going treatment relationship.
- iv. Conduct Suicide Screenings that are EBPs and promising practices:
 - (a) C-SSRS – Columbia Suicide Severity Rating Scale
 - (b) PHQ9 – Patient Health Questionnaire (9 question version)
 - (c) Sheehan – Suicide Tracking Scale
 - (d) SAFE-T
- v. Parent-Child Psychotherapy including Parent Child Interaction Therapy (PCIT)
- vi. Skillstreaming

- or learning of incident allegedly perpetrated by an employee, agent or contractor. The report to System Agency must include the DFPS report number.
- (19) Risk Management processes such as competency determinations and the management and reporting of incidents and deaths;
 - (20) Coordination of activities and information with the UM Program including participation in UM oversight activities as defined and scheduled by System Agency, including but not limited to submitting data and supporting documentation, performance and submitting results of self-audits, and participating in System Agency onsite reviews; and
 - (21) Oversight of new initiatives such as Crisis Redesign, Mental Health Service Delivery Re-Design, Local Provider Network Development, Jail Diversion, and Outpatient Competency Restoration.
- g) Ensure all providers are implementing TRR, as specified by System Agency and providing EBPs in accordance with System Agency fidelity requirements. Providers who do not meet adequate implementation shall submit a Plan of Improvement (POI) for identified problems and meet the following standards:
- (1) Within five business days after receipt of a request from System Agency, develop a POI that adequately addresses the correction of any critical health, safety, rights, abuse and neglect issues identified by System Agency, and that includes a description of local oversight activities to monitor and maintain the correction of the identified problem, and submit to System Agency for approval; and
 - (2) Within 14 business days after receipt of a request from System Agency, develop a POI that adequately addresses the correction of organizational, clinical or compliance problems identified by System Agency during oversight activities and that includes a description of local oversight activities to monitor and maintain the improvement of the identified problem, and submit to System Agency for approval in accordance with the Submission Calendar in Information Item S.
- h) If applicable, submit to System Agency evidence of initial or continued accreditation by a national accreditation organization (e.g., American Association of Suicidology, Joint Commission, Commission on Accreditation of Rehabilitation Facilities (CARF), and The Council on Quality and Leadership (CQL), in accordance with the Submission Calendar in Information Item S. The submission shall include the accreditation review report and any plan of improvement created by Contractor in response to the accreditation review report.
- i) Ensure that Contractor's buildings and associated properties are compliant with the Texas Accessibility Standards (TAS), Texas Health and Safety Code, Texas Department of Licensing and Regulation requirements, National Fire Protection Association (NFPA) Life Safety Code or the International Fire Code.
- j) Ensure that Contractor's Americans with Disabilities Act (ADA) Self-Evaluation and Transition Plan (ADA Plan) is reviewed by Contractor at least annually and updated as necessary, and ensure that the following information is posted prominently at each service location:

ATTACHMENT A01
PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- (1) The name, address, telephone number, Telecommunications Device for the Deaf (TDD) telephone number, fax number and e-mail address of the ADA and the Rehabilitation Act of 1973 Coordinator(s);
 - (2) The location at which the ADA Plan may be viewed; and
 - (3) The process for requesting and obtaining copies of the ADA Plan.
- k) Contractor shall notify HHSC via email to Performance.Contracts@hhsc.state.tx.us to certify that it has adopted and enforces a Tobacco-Free Workplace by June 1, 2020. Certification shall be Policy that meets or exceeds all of the following minimum standards:
- (1) Prohibits the use of all forms of tobacco products, including but not limited to cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff and chewing tobacco;
 - (2) Designates the property to which the policy applies (“designated area”). The designated area must at least comprise all buildings and structures where activities funded under this Contract are taking place, as well as Contractor owned, leased, or controlled sidewalks, parking lots, walkways, and attached parking structures immediately adjacent to the designated area;
 - (3) Applies to all employees and visitors in the designated area; and
 - (4) Provides for or refers employees to tobacco use cessation services.
- If Contractor cannot meet the minimum standards as set forth in this section, it must obtain a waiver from the System Agency.
- l) Contractor shall incorporate jail diversion strategies into the authority’s resilience and recovery practices to reduce involvement with the criminal justice system.
- (1) Jail diversion strategies shall address the needs of children and youth with serious emotional disturbances and adults with the following disorders as defined by the Diagnostic and Statistical Manual of Mental Disorders, 5th Edition (DSM-5):
 - (a) schizophrenia
 - (b) bipolar disorder
 - (c) post-traumatic stress disorder
 - (d) schizoaffective disorder, including bipolar and depressive types
 - (e) anxiety disorder; and
 - (f) delusional disorder.
 - (2) Plans for jail diversion shall be incorporated into the Consolidated Local Service Plan.
- m) Consumer Complaints: In accordance with Senate Bill 200, of the 84th Legislature, Regular Session, 2015 and HHS Consumer Inquiry and Complaint Policy, Circular C-052, HHSC shall collect consumer complaint and inquiry information from Contractors. Contractors shall establish a process for tracking, reporting, and analyzing consumer complaints and inquiries received locally to report to HHSC on a monthly schedule. Contractors shall maintain records sufficient to allow for verification, tracking, and analysis.

ATTACHMENT A01
PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- 1) Contractors shall report consumer complaint and inquiry information to HHSC via Form LL in accordance with Information Item S.
- 2) The data submitted shall include at minimum:
 - (a) The numbers of inquiries and complaints;
 - (b) The number of complaints resolved (from that month and previous months);
 - (c) The number of complaints resolved that were substantiated;
 - (d) The average time for resolution of complaints;
 - (e) The percent resolved within 10 business days; and
 - (f) Summaries of cases that illustrate relevant patterns or trends.

Additionally, the Contractor must establish a process for consumers to submit complaints and advise consumers how to contact the Office of the Ombudsman (OO) if that office does not resolve the complaint to their satisfaction.

7. Disaster Services

In the event of a local, state or federal emergency, criminal incident, public health emergency, and/or disaster, either natural and/or human-caused as declared by the Governor, Contractor shall assist System Agency's Disaster Behavioral Health Services (DBHS) program in providing disaster behavioral health services to mitigate the psychological trauma experienced by crime victims, survivors, and emergency responders to such an emergency, incident, and/or disaster. Disaster services may need to be provided outside Contractor's LSA. Contractor shall assist survivors, emergency responders, and communities in returning to a normal (pre-disaster) level of functioning and shall assist in reducing the psychological effects of acute and/or prolonged distress. In the event individuals already receiving mental health services are affected, Contractor shall provide disaster behavioral health services to the affected individuals in conjunction with the individual's current support system. Contractor shall provide disaster behavioral health services in a manner that is most responsive to the needs of the emergency, incident, or disaster; cost effective; and as unobtrusive as possible to the primary services provided by Contractor under this Contract. Contractor shall be prepared to provide disaster behavioral health services with little or no advance notice.

Contractor shall provide disaster behavioral health services that include but are not limited to: Psychological First Aid (PFA), stress relief, Critical Incident Stress Management (CISM) modalities, crisis counseling, stress management, and the provision of referral services. Contractor shall use standardized data gathering, expense tracking and reporting forms as provided by the System Agency.

Contractor's responsibilities may include, but shall not be limited to, the following:

- a) every six months beginning with the first quarter, provide the DBHS office the names and 24-hour contact information of:
 - 1) at least two individuals identified by Contractor to serve as the disaster behavioral health point of contact and are trained in providing disaster behavioral health services,
 - 2) Contractor's Risk Manager or Safety Officer
 - 3) Contractor's Chief Fiscal Officer or Agent, and
 - 4) include information on whether these identified individuals have been trained in

PFA National Incident Management System 100, 200, 300, 700 and/or CISM modalities on the System Agency's Form T, Disaster Contact List;

- b) collaborate with System Agency to coordinate disaster/emergency, incident, and/or disaster response activities, including but not limited to: community post-emergency, incident, and/or disaster behavioral health needs assessments, report damage to facilities, impact on staff/consumers (evacuated and or displaced from residence) and service provision;
 - c) assign employees to assist System Agency during local, state, or federally-declared disasters to meet staffing needs for Disaster District Committees, shelters, morgues, schools, hospitals, Disaster Recovery Centers (DRCs), Medical Operations Centers (MOC), Points of Distribution (POD), community support centers, death notification centers, family assistance centers (FAC), or other locations identified by DBHS;
 - d) contract with System Agency to provide crisis counseling services following federal disaster declarations that include Individual Assistance. These services are funded through the Federal Emergency Management Agency (FEMA)-Crisis Counseling Assistance and Training Program (CCP). CCP services include housing, hiring, and co-managing CCP Team(s); see the following link for further federal guidance <https://www.samhsa.gov/dtac/ccp-toolkit> ; and
 - e) participate in emergency management and disaster response and recovery programs, exercises, drills, and trainings relating to the provision of behavioral health services in emergencies, criminal incidents and disasters that focus on prevention, preparedness, response, and recovery.
8. YES Waiver

The Texas Health and Human Services Commission (HHSC) is the Texas Medicaid Agency and operates the 1915(c) Medicaid Home and Community-Based Services Waiver Program called YES Waiver. The YES Waiver is administered under Social Security Act §1915(c). The purpose of this Statement of Work is to set out the requirements of the Contractor in providing intake, wraparound facilitation, and access to the central services for the YES Waiver (Waiver). The YES Waiver serves to prevent or reduce institutionalization or other out-of-home placement of children and adolescents ages 3 through 18 with serious emotional disturbance (SED), enable more flexibility in providing intensive community-based services for children and adolescents with SED, and provide support for their families by improving access to services.

As part of the Medicaid application and clinical eligibility determination process, an individual's financial eligibility to receive services under the Waiver based upon Medicaid eligibility requirements is assessed in accordance with Title 25 TAC §419.3 YES Eligibility Criteria, and all other eligibility requirements in the YES Waiver Policy and Procedure Manual (YES Manual). Parental income is not included in the determination of financial eligibility, thereby reducing the current incentive for parents to relinquish custody in order to obtain access to Medicaid coverage for mental health treatment.

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

Contractor shall comply with all policies outlined in the current version of the YES Manual and the YES Waiver User Guide (YES User Guide), requirements in the CMS YES Waiver Application, and Title 25 TAC §419 related to YES Waiver. To the extent this Contract Attachment imposes a higher standard, or additional requirements beyond those required by the YES Manual, the terms of this Contract Attachment will control. This includes but is not limited to:

- a) Local YES Administrative Activities:
- (1) Including required elements on the LMHA/LBHA website. At a minimum, for LMHA/LBHAs, WPOs, and CWPs:
 - (a) use HHSC approved online content and information about the YES Waiver program;
 - (b) list the YES waiver service array;
 - (c) provide information describing the Wraparound process; and
 - (d) use any HHSC approved multimedia content directed and intended for individuals and providers.
 - (2) Managing and maintaining an Inquiry List of individuals who are seeking YES Waiver services. This inquiry list should include every caller who contacts the inquiry line to inquiry about YES Waiver services even if they are immediately determined to not meet demographic eligibility criteria or are immediately referred to another LOC or program. This includes but is not limited to:
 - (a) Establishing and maintaining an Inquiry phone line with voice messaging capabilities;
 - (b) Notifying System Agency if the program experiences any technical issues that impede functionality and purpose of the Inquiry Line;
 - (c) Utilizing System Agency approved language on the voice message which must include all required information (see User Guide for Inquiry Line Script) when answering and returning calls to individuals;
 - (d) Operating a phone line that is monitored by a live personal within normal business hours;
 - (e) Answering or returning calls made to the Inquiry phone line within 1 business day;
 - (f) Registering interested individuals on the Inquiry List in the order in which their call is received; and
 - (g) Scheduling a face-to-face clinical eligibility assessment within 7 business days of the date that each individual was determined to meet demographic eligibility. Exceptions to the timeline are considered only at the request of the individual and/or Legally Authorized Representative (LAR) and must be documented in the individual's case records.
 - (h) Submitting a complete and up to date Inquiry List to System Agency by the fifth business day of the following month.
 - i. Utilizing the Inquiry List template provided by the System Agency, which is available on the YES Waiver Providers Website: <https://hhs.texas.gov/doing-business-hhs/provider-portals/behavioral-health-services-providers/youth-empowerment-services-waiver-providers>

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- (3) Contractor shall not maintain a wait list for individuals who have called in and inquired about YES Waiver services, or for YES Waiver enrollment for children determined to meet eligibility criteria for YES Waiver. LMHA shall not assess individuals from the YES Inquiry List unless the LMHA is below the maximum enrollment or authorized by System Agency to enroll a client determined to be at imminent risk of relinquishment, in accordance with 25 TAC Chapter 419, Subchapter A, §419.7 and the YES Manual, posted at <https://hhs.texas.gov/doing-business-hhs/provider-portals/behavioral-health-services-providers/youth-empowerment-services-waiver-providers>.
- (4) Assist with the Waiver enrollment activities of interested individuals by completing all activities necessary for Waiver enrollment. This includes but is not limited to:
 - (a) Assisting in the completion of enrollment activities in accordance with the YES Manual posted at: <https://hhs.texas.gov/doing-business-hhs/provider-portals/behavioral-health-services-providers/youth-empowerment-services-waiver-providers>.
 - (5) Assisting individuals in obtaining and maintaining Medicaid eligibility;
 - (6) Assisting in the completion of necessary enrollment processes including enrollment forms, provider selection, and notification and transfer to selected providers as applicable.
 - (7) Maintaining open and professional communication and coordination with each Waiver Provider;
 - (8) Responding to or delivering information or documentation to ensure health and safety of clients, and timely delivery of YES Waiver services;
 - (9) Submitting Critical Incident Reports to HHSC, within 72 hours of receiving the report and in line with other requirements in the YES Manual;
 - (10) Adhering to all other requirements in the YES Manual related to conducting child and family team meetings and updating the crisis and safety plan following a critical incident;
 - (11) Performing Quality Management (QM) activities. Contractor shall collect data, measure, assess, and work to improve dimensions of performance through focus on various aspects of care. Contractor shall include the following activities in the QM Plan outlined in Section II.H.:
 - (a) Assisting in the timely provision of enrollment and delivery of services to Waiver participants;
 - (b) Adhering to established policies and procedures in the YES Manual and YES User Guide;
 - (c) Ensuring continuity of care, as applicable; and
 - (d) Participating in desk or onsite reviews conducted by YES QM department or wraparound fidelity reviews conducted by System Agency or System Agency Designee at any time designated by System Agency.
- b) Serving as a WPO when chosen by YES Waiver participants. This includes but is not limited to:
 - (1) Providing WPO services according to policies outlined as they exist at the time of Contract execution or as modified/amended or replaced during the Contract term,

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- (2) Ensure that each adult who is identified as being potentially in need of services is screened to determine if services may be warranted;
- (3) Ensure that clients seeking services are assessed to determine if they meet the requirements of priority population and if so, ensure that a full assessment is conducted and documented using the most current version of the System Agency UA instruments. Individuals who are admitted into services whose services are not funded in whole or in part with contract funds are exempt from inclusion in TRR regardless of priority population status;
- (4) Make available to each client recommended and authorized for a LOC, as indicated by the Adult Needs and Strengths Assessment (ANSA) all services and supports within the authorized LOC (LOC-A):
 - (a) If a non-Medicaid-eligible individual cannot be served in the recommended LOC, or if the individual refuses the recommended LOC, individual may be served at the next most appropriate LOC. If no services are available at the next most appropriate LOC, the non-Medicaid-eligible individual shall be placed and monitored on a waiting list;
 - (b) Medicaid-eligible individuals may not have services denied, reduced, suspended, or terminated due to lack of available resources; and
 - (c) If a Medicaid eligible individual refuses the recommended LOC, the individual may be served at the next most appropriate LOC as long as the services within that LOC are appropriate and medically necessary to address the individual's mental illness.
- (5) Ensure Medicaid eligible individuals are provided with any medically necessary Medicaid funded MH services within the recommended LOC without undue delay;
- (6) Ensure that Cognitive-Behavioral Therapy (CBT) is provided by an LPHA, practicing within the scope of a license, or when appropriate and not in conflict with billing requirements, by an individual with a master's degree in a human services field (e.g., psychology, social work, family therapy or counseling) who is pursuing licensure under the direct supervision of an LPHA. The LPHA providing CBT shall meet System Agency competency requirements as outlined in the Information Item A;
- (7) Ensure that providers of services and supports within TRR are trained in the System Agency-approved EBPs prior to the provision of these services and supports. System Agency-approved EBPs are:
 - (a) Assertive Community Treatment (services): Substance Abuse and Mental Health Services Administration (SAMHSA) Assertive Community Treatment (services);
 - (b) Counseling: Cognitive Behavioral Therapy;
 - (c) Psychosocial Rehabilitation: SAMHSA Illness Management and Recovery (annual re-certification required);
 - (d) Supported Employment: Individual Placement and Support (IPS) from The IPS Employment Center at the Rockville Institute or SAMHSA Supported Employment toolkit;
 - (e) Supportive Housing: SAMHSA Permanent Supportive Housing toolkit; and

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- (f) Co-Occurring Psychiatric and Substance Use Disorders (COPSD) (annual re-certification required).
 - (8) Ensure that supervisors of services and supports within TRR are trained as trainers in the System Agency-approved EBPs, are trained in the EBPs, or have provided the evidence-based practices prior to the supervision of the EBPs. Supervisors must complete this requirement within 180 days of assuming a supervisory position. If supervisors are unable to complete this requirement within 180 days of assuming the supervisory position, the LMHA must submit a plan to the department outlining how the supervisor will fulfill this requirement;
 - (9) Use the UA and other relevant clinical information to document the assessment of individuals seeking services and to reassess current clients in services when update assessments are due or significant changes in functioning occur, to determine the recommended LOC for a client;
 - (10) Utilize information from the Adult Needs and Strengths Assessment (ANSA) and other relevant clinical information to:
 - (a) Recommend a LOC;
 - (b) Determine whether the client should be transferred to another provider; and
 - (c) Determine if a client should be discharged from services.
 - (11) Use the flexible funds that shall be made available by Contractor, in accordance with the TRR UM Guidelines;
 - (12) Assertive Community Treatment (ACT) services provided by Contractor shall meet the minimum TRR UM Guidelines for LOC 4, and shall follow the most current Dartmouth Assertive Community Treatment Scale (DACTS) Fidelity Instrument;
 - (13) Application of EBPs: If an individual has a documented need (scoring a 2 or 3) on the Employment, Residential Stability or Substance Abuse items of the ANSA, contractor shall document encounters using the H2014U3, H2017U3 and H2023 for Employment needs and; H2014U2, H2017U2, H0046U2 and H0046U1U2 for Residential Stability and base procedure codes H2011, H2014, H2017, H0034 and T1017 with the service identifier, “COPSD” for Co-occurring Psychiatric and Substance Use Disorders. These encounters will follow documentation rules outlined in 25 TAC, Chapter 416, Subchapter A and 25 TAC, Chapter 411, Subchapter N.
 - (14) Contractor shall serve individuals with monies allocated through Crisis Redesign, for engagement, transition, and intensive ongoing services in accordance with TRR UM Guidelines. CARE Report III shall be completed in accordance with Instructions for MH Report III, Information Item D and submission timelines as outlined in the Submission Calendar in Information Item S. Performance measures are outlined in Section II. G.; and
 - (15) Contractor shall maintain access to CMBHS even if Contractor utilizes an approved batch process.
- d) Submit encounter data for all services according to the procedures, instructions and schedule established by System Agency, including all required data fields and values in the current version of the System Agency Community Mental Health Service Array. The current version of System Agency Community Mental Health Service

transferred to AMH services without meeting the adult priority population criteria and served for up to one additional year. Individuals who are 18 years of age or older and have previously received CMH services must be screened for AMH services using System Agency-approved UA.

- (3) For purposes of this contract definitions of “child” and “youth” are as follows:
 - (a) Child: An individual who is at least three years of age, but younger than 13 years of age.
 - (b) Youth: An individual who is at least 13 years of age, but younger than 18 years of age.

- d) Service Determination:
 - (1) In determining services and supports to be provided to the child/youth and family, the choice of and admission to medically necessary services and supports are determined jointly by the child/youth and family seeking services and supports and by Contractor;
 - (2) Criteria used to make these determinations are from the recommended LOC (LOC-R) of the individual as derived from the UA, the needs of the individual, TRR UM Guidelines and the availability of resources; and
 - (3) Children/Youth authorized for care by Contractor through a clinical override are eligible for the duration of the authorization. A clinical override for ineligible children/youth may not exceed a maximum of two consecutive authorizations.

- e) Continued Eligibility for Services:
 - (1) Reassessment by the provider and reauthorization of services by Contractor determines continued need for services. This activity is completed according to the UA protocols and TRR UM Guidelines;
 - (2) Assignment of diagnosis in CARE is required at any time the primary diagnosis changes and at least annually from the last diagnosis entered into CARE; and

- f) The LPHA’s determination of diagnosis shall include an interview with the individual and/or guardian/ LAR conducted either face-to-face or via tele-medicine/tele-health. In order to assign a diagnosis to an individual, documentation of the required diagnostic criteria, shall be included in the client record. This information shall be included as part of the required assessment information.

- g) UA Requirements:
 - (1) System Agency-approved UA for children and youth includes the following instruments:
 - (a) Child and Adolescent Needs and Strengths Assessment (CANS);
 - (b) Community Data; and
 - (c) Authorized LOC.

**ATTACHMENT A01
PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)**

- (2) The above instruments are required to be completed once an individual has been screened and determined in need of assessment from Contractor. The initial assessment is the clinical process of obtaining and evaluating historical, social, functional, psychiatric, developmental or other information from the individual seeking services in order to determine specific treatment and support needs.
- (3) Staff administering the instruments shall be a QMHP-CS and have documented training in the use of the instruments; Staff administering the instruments must have documentation of current certification in the CANS or ANSA. Certification must be updated annually through a System Agency approved entity.
- (4) The UA shall be administered according to the timeframes delineated in Information Item C located at <https://hhs.texas.gov/doing-business-hhs/provider-portals/behavioral-health-services-providers/behavioral-health-provider-resources/community-mental-health-contracts> _ Child Data Submission Requirements.

h) Child Data Submission Requirements:

- (1) Contractor shall submit all required information in compliance with the schedule established by System Agency through either CARE/WebCare or Clinical Management for Behavioral Health Services System (CMBHS) as set forth in the following table:

Required Submission	Approved Data Submission Methods

- (2) Contractor may only batch to CMBHS if Contractor has submitted Form U, CMBHS Assessment Attestation regarding data exchange.
- (3) Contractor shall no longer enter, and System Agency will no longer accept, UA information through WebCare or the CARE System. UA data must be entered into CMBHS online or through a System Agency approved data exchange process.

3. Service Requirements

Contractor shall:

- a) Comply with UA requirements for children/youth in accordance with Section I.B.6. The UA is not required for individuals whose services are not funded with funds paid to Contractor under this Statement of Work.
- b) Children's MH case managers can access and use <https://www.211texas.org/cms/> as required in TGC §531.0244.
- c) Implement a Patient and Family Education Program (PFEP) in which clients and family are provided with education and educational materials related to diagnosis and medication. Guidelines available from the NIMH are incorporated by reference and can be found at <http://www.nimh.nih.gov/health/index.shtml> or alternative guidelines approved by System Agency and posted on the HHSC website, on a schedule determined by System Agency, can be used to satisfy this requirement. If clients and/or their families and caregivers have not been educated about their diagnosis, the reason for the lack of education shall be documented in the clinical progress note.
- d) Apply TRR to all client services funded with contract funds in accordance with the following standards:
 - (1) Provide services in accordance with the most current version of System Agency' TRR UM Guidelines, UA which includes the CANS, and Information Item V (for Crisis Services);
 - (2) Each child or youth for whom services are requested shall be screened to determine if they are part of the priority population and if services are warranted;
 - (3) Children and youth seeking services are assessed to determine if they meet the requirements of priority population and if so, a full assessment shall be conducted and documented using the most current version of the System Agency UA instruments, including the CANS. Individuals whose services are not funded with Statement of Work funds are exempt from inclusion in TRR regardless of priority population status;
 - (4) Make available to each client recommended and authorized for a LOC, as indicated by the UA which includes the CANS all services and supports within the authorized LOC (LOC-A);
 - (a) Any eligible child or youth may not be deviated down more than one LOC without written documentation supporting clinical need for the deviation. If client and LAR refuse the entire LOC, the child or youth may not be deviated down more than one LOC without written documentation that the child or youth and LAR have received a detailed explanation of the increased risks that

SECTION II. SERVICE TARGETS, OUTCOMES, AND PERFORMANCE MEASURES

Contractor shall meet the service targets, performance measures, and outcomes outlined below. Detailed information pertaining to calculations and data sources can be found in Information Item C at: <https://hhs.texas.gov/doing-business-hhs/provider-portals/behavioral-health-services-providers/behavioral-health-provider-resources/community-mental-health-contracts>. Remedies and Sanctions associated with these service targets, performance measures, outcomes will be imposed in accordance with the terms included in this Statement of Work or Article VII of the Local Mental Health Authority Special Conditions.

A. Ten Percent Performance Measures

Ten Percent measures shall be assessed 37 calendar days following the close of Quarter 2 (measuring Quarter 1 and 2) and Quarter 4 (Measuring Quarter 3 and Quarter 4). The Adult Improvement and Child Improvement measures are weighted at 2.0 percent of total general revenue funding; the remaining measures are weighted equally at 1.0 percent of general revenue funding. For each outcome target Contractor does not meet, System Agency shall recoup a percentage of Contractor's general revenue funding for the current two quarters. Funding shall be recouped from the Adult, Child, and Crisis strategies in proportion to the percentage of funding in each strategy. Contractors meeting all Ten Percent Measure targets may be eligible for redistribution of recouped general revenue funds.

1. Adult Improvement (2%). At least 20.0% of adults authorized into a FLOC shall show improvement in at least one of the following ANSA domains/modules: Risk Behaviors, Behavioral Health Needs, Life Domain Functioning, Strengths, Adjustment to Trauma, Substance Use.
 - a) If the percentage improved is at least 19.0% but less than 20.0%, the amount recouped is .4%.
 - b) If the percentage improved is at least 18.0% but less than 19.0%, the amount recouped is .8%.
 - c) If the percentage improved is at least 17.0% but less than 18.0%, the amount recouped is 1.2%.
 - d) If the percentage improved is at least 16.0% but less than 17.0%, the amount recouped is 1.6%.
 - e) If the percentage improved is less than 16.0%, the amount recouped is 2.0%.
2. Adult Monthly Service Provision (1%). An average of least 65.6% of adults authorized in a FLOC shall receive at least one face-to-face, telehealth, or telemedicine encounter each month. FLOCs included in this measure are LOC-1S, LOC-2, LOC-3, and LOC-4. LOC-1M is excluded from this measure. Additionally, individuals who are both recommended and authorized for LOC-A1S are excluded from this measure. Encounters may be for any service and for any length of time.
 - a) If the percentage receiving monthly services is at least 62.3% but less than 65.6%, the amount recouped is .2%.

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- b) If the percentage receiving monthly services is at least 59.0% but less than 62.3%, the amount recouped is .4%.
 - c) If the percentage receiving monthly services is at least 55.8% but less than 59.0%, the amount recouped is .6%.
 - d) If the percentage receiving monthly services is at least 52.5% but less than 55.8%, the amount recouped is .8%.
 - e) If the percentage receiving monthly services is less than 52.5%, the amount recouped is 1.0%.
3. Child and Youth Improvement (2%). At least 25.0% of children and youth authorized in a FLOC shall show reliable improvement in at least one of the following CANS domains/modules: Child Risk Behaviors, Behavioral and Emotional Needs, Life Domain Functioning, Child Strengths, Adjustment to Trauma, Substance Use.
- a) If the percentage improved is at least 23.8% but less than 25.0%, the amount recouped is .4%.
 - b) If the percentage improved is at least 22.5% but less than 23.8%, the amount recouped is .8%.
 - c) If the percentage improved is at least 21.3% but less than 22.5%, the amount recouped is .1.2%.
 - d) If the percentage improved is at least 20.0% but less than 21.3%, the amount recouped is 1.6%.
 - e) If the percentage improved is less than 20.0%, the amount recouped is 2.0%.
4. Child and Youth Monthly Service Provision (1%). An average of at least 65.0% of children and youth authorized in a FLOC shall receive at least one face-to-face, telehealth, or telemedicine encounter each month. Encounters may be for any service and for any length of time.
- a) If the percentage receiving monthly services is at least 61.8% but less than 65.0%, the amount recouped is .2%.
 - b) If the percentage receiving monthly services is at least 58.5% but less than 61.8%, the amount recouped is .4%.
 - c) If the percentage receiving monthly services is at least 55.3% but less than 58.5%, the amount recouped is .6%.
 - d) If the percentage receiving monthly services is at least 52.0% but less than 55.3%, the amount recouped is .8%.
 - e) If the percentage receiving monthly services is less than 52.0%, the amount recouped is 1.0%.
5. School (1%). At least 60.0% of children and youth authorized in a FLOC shall have acceptable or improved school performance. Contractor will be held harmless on this measure for the first two quarters of FY 20; no funds shall be recouped during this measurement period if the target is not met.
- a) If the percentage improved is at least 57.0% but less than 60.0%, the amount recouped is .2%.
 - b) If the percentage improved is at least 54.0% but less than 57.0%, the amount recouped is .4%.

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- c) If the percentage improved is at least 51.0% but less than 54.0%, the amount recouped is .6%.
 - d) If the percentage improved is at least 48.0% but less than 51.0%, the amount recouped is .8%.
 - e) If the percentage improved is less than 48.0%, the amount recouped is 1.0%.
6. Community Tenure (1%). At least 96.8% of individuals (adults, children, and adolescents) authorized in a FLOC shall avoid hospitalization in a System Agency Inpatient Bed throughout the measurement period.
- a) If the percentage avoiding hospitalization is at least 92.0% but less than 96.8%, the amount recouped is .2%.
 - b) If the percentage avoiding hospitalization is at least 87.1% but less than 92.0%, the amount recouped is .4%.
 - c) If the percentage avoiding hospitalization is at least 82.3% but less than 87.1%, the amount recouped is .6%.
 - d) If the percentage avoiding hospitalization is at least 77.4% but less than 82.3%, the amount recouped is .8%.
 - e) If the percentage avoiding hospitalization is less than 77.4%, the amount recouped is 1.0%.
7. Effective Crisis Response (1%). At least 75.1% of crisis episodes during the measurement period shall not be followed by admission a System Agency Inpatient Bed within 30 days of the first day of the crisis episode.
- a) If the percentage avoiding hospitalization is at least 71.3% but less than 75.1%, the amount recouped is .2%.
 - b) If the percentage avoiding hospitalization is at least 67.6% but less than 71.3%, the amount recouped is .4%.
 - c) If the percentage avoiding hospitalization is at least 63.8% but less than 67.6%, the amount recouped is .6%.
 - d) If the percentage avoiding hospitalization is at least 60.1% but less than 63.8%, the amount recouped is .8%.
 - e) If the percentage avoiding hospitalization is less than 60.1%, the amount recouped is 1.0%.
8. Hospital 7-Day Follow-up, CARE-based version (1%). At least 75.0% of individuals discharged from a state hospital, a System Agency Contracted Bed, a CMHH, or a PPB shall receive a face-to-face follow-up within seven days of discharge.
- a) If the percentage receiving follow-up is at least 71.3% but less than 75.0%, the amount recouped is .2%.
 - b) If the percentage receiving follow-up is at least 67.6% but less than 71.3%, the amount recouped is .4%.
 - c) If the percentage receiving follow-up is at least 63.8% but less than 67.6%, the amount recouped is .6%.
 - d) If the percentage receiving follow-up is at least 60.1% but less than 63.8%, the amount recouped is .8%.

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

- e) If the percentage receiving follow-up is less than 60.1%, the amount recouped is 1.0%.

The following measures will be benchmarked during fiscal year 2020. No sanctions will be assessed for these measures during the benchmarking year.

- 9. Hospital 7-Day Follow-up, encounter-based version: At least 75.0% of individuals discharged from a state hospital, a System Agency Contracted Bed, a CMHH, or a PPB shall receive a face-to-face, telehealth, or telemedicine contact within seven days of discharge.
- 10. Crisis 7-Day Follow-up. The percentage of adults, children, and youth authorized in LOC-0 with a follow-up service contact 1-7 days after the date of the last crisis service in a crisis episode.

B. Adult Services

Adult service performance measures shall be assessed 37 calendar days following the close of the second and fourth quarters.

1. Adult Service Target

- a) Target:
- b) The average monthly number of adults authorized in a FLOC. The statewide performance level for the adult service target is 100%.
- c) Targets will be reviewed semi-annually.
- d) Sanctions: Recoupments associated with this Target are the following:
 - (1) If the average number served is greater than or equal to 100%, there is no recoupment;
 - (2) If the average number served is 95.0% to 99.0% of the target and there are no adults waiting for all services, there is no recoupment;
 - (3) If the average number served is 95.0% to 99.0% of the target and there are adults waiting for all services, the recoupment is 1.4% of Contractor's current two quarters' funding for adult MH services;
 - (4) If the average number served is 90.0% to 94.0% of the target the recoupment is 1.4% of Contractor's current two quarters' funding for adult MH services;
 - (5) If the average number served is 85.0% to 89.0%, the recoupment is 2.8% of Contractor's current two quarters' funding for adult MH services;
 - (6) If the average number served is 80.0% to 84.0%, the recoupment is 5.6% of Contractor's current two quarters' funding for adult MH services;
 - (7) If the average number served is 75.0% to 79.0%, the recoupment is 11.2% of Contractor's current two quarters' funding for adult MH services; and
 - (8) If the average number served is less than 75.0%, the recoupment is 22.0% of Contractor's current two quarters' funding for adult MH services, in addition to other remedies and sanctions specified in Article VII of the Local Mental Health Authority Special Conditions.

PERFORMANCE CONTRACT NOTEBOOK (MH/PCN)

LMHAs will contact their assigned contract manager to notify System Agency of any potential impact on the LMHA's ability to meet contractual requirements resulting from a significant change in local or other funding used to serve adults in the priority population. If System Agency agrees the change in funding is potentially significant, System Agency will provide an estimate of the total number to be served based on the information provided. At the end of the year, System Agency will waive recoupment for LMHAs with a significant change in funding if the total expenditure of funds is less than \$4,150 per adult served. The calculation for this determination will be: Strategy B.2.1, Mental Health Services—Adults Quarter 4 CARE Report III Preliminary Line 800 / Adult Average Monthly Served for the reporting period. When CARE Report III is final, System Agency will adjust the LMHA's target if the funding per target is less than \$4,150. The calculation for this determination will be: Strategy B.2.1, Mental Health Services—Adults Quarter 4 CARE Report III Final Line 800 / Adult Service Target.

2. Counseling Target. An average of at least 12.0% of adults recommended for LOC-2 shall be authorized into LOC-2.

MH services; and

- (8) If the average number served is less than 75.0%, the recoupment is 22.0% of Contractor's current two quarters funding for children's MH services.

LMHAs will contact their assigned contract manager to notify System Agency of any potential impact on the LMHA's ability to meet contractual requirements resulting from a significant change in local or other funding used to serve children and youth in the priority population. If System Agency agrees the change in funding is potentially significant, System Agency will provide an estimate of the total number to be served based on the information provided. At the end of the year, System Agency will waive recoupment for LMHAs with a significant change in funding if the total expenditure of funds is less than \$4,000 per child/youth served. The calculation for this determination will be: Strategy B.2.2, Mental Health Services–Children Quarter 4 CARE Report III Preliminary Line 800 / Child and Youth Average Monthly Served for the reporting period. When CARE Report III is final, System Agency will adjust the LMHA's target if the funding per target is less than \$4,000. The calculation for this determination will be: Strategy B.2.2, Mental Health Services– Children Quarter 4 CARE Report III Final Line 800 / Child and Youth Service Target.
