Project Access Pilot Program Webinar

**Webinar Opportunity**

The Texas Health and Human Services Commission (HHSC) is pleased to announce an upcoming Project Access Pilot Program Webinar. We encourage all Local Mental and Behavioral Health Authorities (LMHAs/LBHAs) to register for this training event.

HHSC will conduct the same webinar in July on two different dates. To register, please select and right click one of the following:

- **July 11, 2019, 10:00–11:00am Central Daylight Saving Time (CDST)**
- **July 23, 2019, 2:00-3:00pm CDST**

Registered participants will receive a confirmation email with information about joining the webinar.

This webinar will address housing opportunities, referrals, and collaboration related to the Project Access Pilot program. The webinar will help maximize Project Access Pilot program referrals, ensure pilot program funds are used, and expand services throughout the state of Texas.

**Project Access Pilot Program**

The Pilot Program is funded by the Texas Department of Community and Housing Affairs to assist individuals with housing needs who (1) are currently in a state hospital, or (2) have been discharged from a state hospital in the last sixty days, have a permanent disability, and meet the Housing Choice Voucher or local public housing authority eligibility.

The Project Access Pilot program requires strong communication between the LMHA/LBHA and referring state hospital. This webinar is an opportunity...
to ask questions and learn about the program to set the stage for ongoing relationship building with key stakeholders in your community.
