

## Texas WIC Program Breastfeeding Class Schedule

The Health and Human Services (HHS) Women, Infants and Children (WIC) Program offers a variety of breastfeeding education opportunities in-person across the state as well as online. Classes for physicians are scheduled upon request and are not currently offered in an online format. Information on classes and registration can be found at <http://www.dshs.texas.gov/wichd/lactate/courses.shtm>.

Schedules are subject to change and classes may be cancelled at the discretion of management if minimum attendance requirements have not been met or weather conditions are unsafe. It is highly recommended to confirm class date prior to attending or making non-refundable travel arrangements. If you have questions about these classes or would like more information about hosting a class at your facility, please see our [website](#) for information or contact Missy Hammer at 512-341-4457 or [WIC.CECoordinator@hsc.state.tx.us](mailto:WIC.CECoordinator@hsc.state.tx.us).

### Online Breastfeeding Training

We offer several free online courses you may take at your own pace. Check the website above for links to these and other courses.

### Class Key:

LP – Lactation Principles (one day, \$35 registration fee, no pre-requisite, registration closes 10 days prior)

ALM – Advanced Lactation Management (two days, \$65 registration fee, pre-requisite = POLM or LP class, registration closes 10 days prior)

CLP – Clinical Lactation Practicum (two days, no fee, 2 pre-requisites classes = POLM/LCPS or LP/ALM)
