

It takes a
community
to keep a
child safe.

All moms and children

have the right
to live free from
abuse and
violence.

**If you
feel threatened
or are afraid of your
partner, you don't have to
face it alone.**

Emergency shelters and support services are available to you and your children through the Texas Health and Human Services Family Violence Program.

To find help near you or to learn more, call:

**The National Domestic
Violence Hotline**
