

# Electronic Visit Verification

## Programs, Services, and Service Delivery Options Required to Use EVV

Updated Nov. 22, 2019

HHSC currently requires Electronic Visit Verification for about 90 percent of Medicaid personal care services. The programs and services currently required to use EVV are [listed on page 3](#).

The 21st Century Cures Act will require EVV for all Medicaid personal care services. The programs, services, and service delivery options affected by the 21st Century Cures Act are listed in the table below.

More information about the 21st Century Cures Act is available on the [HHSC EVV website](#).
