

ATTACHMENT A-3 Description of IDD Services

* Indicates that the LIDDA must establish a reasonable standard charge for this service. For those services that have multiple grid codes (as listed on the last page of this attachment), the LIDDA must establish a standard charge for each service grid code.

SERVICE CATEGORY	DESCRIPTION -- Additional requirements are contained in the Service Definition Manual, available at https://hhs.texas.gov/sites/default/files/documents/doing-business-with-hhs/providers/long-term-care/lidda/servicedefinitionmanual.pdf.	Required by Law / Optional
Screening (a service that is an authority function that may be subcontracted)	Gathering information to determine a need for services. This service is performed face-to-face or by telephone contact with persons. Screening includes the process of documenting consumers' initial and updated preferences for services and the LIDDA's biennial contact of consumers on the Home and Community-based Services (HCS) Interest List. The service does not include providing information and referrals.	Optional
Eligibility Determination (a service that is an authority function that may be subcontracted)	An interview and assessment or an endorsement conducted in accordance with Tex. Health and Safety Code, §593.005, and 40 Tex. Admin. Code Chapter 5, Subchapter D to determine if an individual has an intellectual disability or is a member of the IDD priority population.	Required This meets the requirements of Tex. Health and Safety Code §534.053(a)(3).
* Service Coordination (a service that is an authority function that may NOT be subcontracted)	Assistance in accessing medical, social, educational, and other appropriate services and supports that will help a consumer achieve a quality of life and community participation acceptable to the consumer as described in the plan of services and supports. Service coordination functions are: <ul style="list-style-type: none"> ▪ assessment — identifying the consumer's needs and the services and supports that address those needs as they relate to the nature of the consumer's presenting problem and disability; ▪ service planning and coordination — identifying, arranging, advocating, collaborating with other agencies, and linking for the delivery of outcome-focused services and supports that address the consumer's needs and desires; ▪ monitoring — ensuring the consumer receives needed services, evaluating the effectiveness and adequacy of services, and determining if identified outcomes are meeting the consumer's needs and desires; and ▪ crisis prevention and management — linking and assisting the consumer to secure services and supports that will prevent or manage a crisis. 	Required This meets the requirements of Tex. Health and Safety Code §534.053(a)(4),(5).
