¹ Status should be represented as “Baseline” for initial issuances, “Revision” for changes to the Baseline version, and “Cancellation” for withdrawn versions.

² Revisions should be numbered according to the version of the issuance and sequential numbering of the revision—e.g., “1.2” refers to the first version of the document and the second revision.

³ Brief description of the changes to the document made in the revision.
Applicability of Chapter 3.32

This chapter applies to Managed Care Organizations (MCOs) or Dental Contractors participating in the Texas Medicaid Managed Care Programs: STAR, STAR+PLUS, including the Medicare-Medicaid Dual Demonstration, STAR Health, STAR Kids, or Texas Medicaid Dental Services and the Children’s Health Insurance Program (CHIP), and Texas CHIP Dental Services, collectively referred to herein as “Program” or “Programs”.

Required Critical Elements

I. General Requirements

1. Each MCO and Dental Contractor must have a Texas-specific MCO home webpage on its website. The MCO home webpage must include links to a designated webpage for Members and one for Providers.

2. The website must operate with sufficient bandwidth such that it has quick upload and download speeds.

3. Website tools and techniques should not require significant memory.

4. The website must be compliant with the Health Insurance Portability and Accountability Act (HIPAA).

5. The website must be written using the style and preferred terms of the HHS Brand Guide, made available at no more than a 6th grade reading level, in English and Spanish and other Prevalent Languages as appropriate with hyperlinks to select between the languages, with the exception of the main Provider home page’s required elements. The HHS Brand Guide can be found at https://hhs.texas.gov/sites/default/files//documents/doing-business-with-hhs/vendor-contract-information/hhs-brand-guide.pdf. All links must be clearly labeled and functional.

6. The website must include the link to financial literacy information on the Office of Consumer Credit Commission’s webpage.

7. If all required critical elements cannot be displayed on the designated page, the MCO and Dental Contractor has the option to provide a hyperlink to display the intended information for the required critical element specified for the MCO home page, main Member home page, or main Provider home page under the following conditions:
a. The hyperlink from the MCO home page, main Member home page, or main Provider home page must be to a webpage that exclusively and readily displays the intended information specific to the hyperlink;

b. The critical element information must not be dispersed among or throughout multiple webpages through various links;

c. The hyperlink must not link to a handbook, manual, document, etc. that a Member or Provider must first access or search to obtain the information; and
