Re: Your Medicaid is Changing

Dear Name:

You will soon be in the Medicaid STAR+PLUS program.

Starting Sept. 1, 2017, Medicaid Breast and Cervical Cancer clients will get their health care through the Medicaid STAR+PLUS program. With STAR+PLUS, you will get your health services through a health plan you pick. For a list of common questions about STAR+PLUS, look at the Answers to Common Questions flyer we sent with this letter.

What should I do now?

You will get a packet from us in the mail in about a month. It will have a letter telling you more about STAR+PLUS and the health plans in your area. It will also help you pick a health plan.

Have questions? We are here to help. Call us toll-free.

Call **1-877-782-6440** 8 a.m. to 6 p.m. Central Time, Monday through Friday. If you have a speech or hearing disability, call **7-1-1** or **1-800-735-2989**. More information about STAR+PLUS, including upcoming information sessions, can be found on the flyer we sent with this letter and Texas Health and Human Services Commission STAR+PLUS webpage at: hhs.texas.gov/mbcc.
