

Outreach and Identification of Children of Migrant Farmworkers Texas Medicaid Managed Care Organization 2016 Rankings

HHSC ranks health and dental plans based on three things:

- (1) How the plan works with groups serving migrant farmworkers.
- (2) How often the plans work with these groups.
- (3) The ways plans identify children of migrant farmworkers.

Plans with higher scores do more to find children of migrant farmworkers enrolled in the plan. The ranks are listed by program (STAR, STAR+PLUS, and Children's Medicaid Dental Services) and by [service area](#), or [Health and Human Service \(HHS\) region](#).
