June 6, 2016

Our Reference: SPA TX 16-0008

Mr. Gary Jessee
State Medicaid/CHIP Director
Health and Human Services Commission
Post Office Box 13247
Mail Code H100
Austin, Texas 78711

Dear Mr. Jessee:

We have reviewed the State's proposed amendment to the Texas State Plan submitted under Transmittal Number 16-0008, dated March 31, 2016. This state plan amendment updates the Medicaid fee schedules for Early and Periodic Screening, Diagnosis and Treatment (EPSDT).

Based on the information submitted, we have approved the amendment for incorporation into the official Texas State Plan with an effective date of January 1, 2016. A copy of the CMS-179 and approved plan page are enclosed with this letter.

If you have any questions please contact Suzette Seng of my staff. Ms. Seng may be reached at (214) 767-6478 or by Email at Suzette.Seng@cms.hhs.gov.

Sincerely,

Bill Brooks
Associate Regional Administrator

cc: Dana Williamson, Manager, Policy Development Support
**TRANSMITTAL AND NOTICE OF APPROVAL OF STATE PLAN MATERIAL**

FOR: CENTERS FOR MEDICARE AND MEDICAID SERVICES

1. TRANSMITTAL NUMBER: 16-0008

2. STATE: TEXAS

The above fiscal impact for Early and Periodic Screening, Diagnosis and Treatment (EPSDT) is based on the difference between the current rate and the newly implemented rate for which a rate was changed, multiplied by the trended units of service as described below.

**FFY 2016:** Federal fiscal year (FFY) 2014 units were trended to FFY 2015 by 1.0807 and then to 2016 by 1.0175, then pro-rated for the portion of the FFY during which the new rates will be in effect.

**FFY 2017:** The FFY 2016 trended unit amount was then trended to FFY 2017 by 1.0445.

**FFY 2018:** The FFY 2017 trended unit amount was then trended to FFY 2018 by 1.0445.

The applied federal medical assistance percentages are 57.13 percent for FFY 2016, 56.18 percent for FFY 2017, and 56.18 percent for FFY 2018.

**Explanation for Rate Change and Amendment Submission**

This state plan amendment implements changes to combinations of procedure code, type of service, modifier, and age group, and was the result of multiple actions:

- 13 procedure codes were reviewed. The reimbursement rate for one procedure code under the biennial calendar fee review for environmental lead investigation remained the same.
- Seven procedure codes for the 2016 annual HCPCS update for dental services were discontinued.
- Five procedure codes for the 2016 annual HCPCS update for dental services were added as Medicaid benefits based on the Texas Medicaid rates for clinically comparable procedure codes. The reimbursement rate increased from zero for five procedure codes because they are now benefits of Texas Medicaid.

Access to care will not be affected and communications with providers will be maintained to address any concerns, should they arise.

There were no across-the-board percentage decreases or increases.

32. Reimbursement Methodologies for Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Services (continued)

13. Dental services reimbursable only for Medicaid-eligible clients under age 21 include those provided by independently enrolled dentists who are reimbursed according to the lesser of the provider’s billed charges or fees determined by the Texas Health and Human Services Commission (HHSC). These are access-based fees under Item 1 of Attachment 4.19-B, relating to the reimbursement methodology for physicians and other practitioners.

(a) All fee schedules are available through the agency's website as outlined on Attachment 4.19-B, page 1.

(b) The agency’s fee schedule was revised with new fees for EPSDT dental services effective January 1, 2016. The fee schedule was posted on the agency website on January 15, 2016.
32. Reimbursement Methodologies for Early and Periodic Screening, Diagnosis, and Treatment- Comprehensive Care Program (EPSDT-CCP) Services (continued)

19. Environmental Lead Investigations. The rate for on-site environmental lead investigations is reimbursable only for Medicaid-eligible clients under age 21. The initial rate is based on the estimated costs to perform an inspection of the child’s primary dwelling. The estimated costs used to develop this rate include salary and fringe costs. Indirect costs are included based on the estimated lifespan of the equipment and the number of anticipated investigations completed annually.

(a) Payment is limited to providers that are Certified Lead Risk Assessors accredited by the Texas Department of State Health Services.

(b) The rate for environmental lead investigations will be reviewed and updated periodically by projecting the initial rate from the historical cost period used to develop the initial rate to the perspective rate period using the Personal Consumption Expenditures (PCE) Chain - Type Price Index.

(c) All fee schedules are available through the agency’s website, as outlined on Attachment 4.19-B, page 1.

(d) The agency’s fee schedule was revised with the new fee for environmental lead investigations effective January 1, 2016, and is effective for services provided on or after that date. This fee schedule was posted on the agency’s website on January 15, 2016.
