

## Approved Human Trafficking Training Courses for Health Care Practitioners

House Bill 2059, 86th Legislature, Regular Session, 2019, requires Health and Human Services (HHS) to approve training courses on human trafficking, including at least one that is free of charge, post the list of approved trainings on the HHS website, and update the list of approved trainings as necessary. This list will be expanded as more courses are approved. If you need assistance with any of the courses listed here, please contact the training organization directly.
