

Day Hab Employment Services - LAR Recommendations -- Room and Board

1	<i>PRIORITY #1 - SELF-DETERMINED, HIGH QUALITY OF LIFE</i>
1	Expand requirements for and availability of person centered training so that the person(s) who work directly with individuals with IDD understand and provide the person centered supports the individual needs and wants
2	Expand consumer/self-direction so that individuals with IDD can make the decisions as to who supports them.
3	Set a standard minimum personal spending allowance to be available to individuals after they pay room and board.
