Billing for Targeted Case Management Services and Preadmission Screening and Resident Review Evaluations - REMINDER

This information letter is to remind providers that when billing for Targeted Case Management (TCM) Services and Preadmission Screening and Resident Review (PASRR) evaluations that these services must be billed as “two separate claims”.

The TCM claim is billed as one claim and the PASRR evaluation as a second claim.

Example		
Claim 1	TCM	August 1, 2014 to August 1, 2014
Claim 2	PASRR Evaluation	August 1, 2014 to August 1, 2014

When the TCM and PASRR evaluation claims are submitted under one claim, only the TCM claim is paid, and the PASRR claim denied.

For questions about how to submit claims for TCM and PASRR Evaluations, please contact the Texas Medicaid & Healthcare Partnership at 1-800-626-4117, Option 1.

Sincerely,
