Subject: **Provider Letter 15-20** – Notification of Name Change from Adult Day Care to Day Activity and Health Services

Senate Bill 1999 (84<sup>th</sup> Texas Legislature, Regular Session, 2015) amended the title of Chapter 103 of the Human Resources Code from Adult Day Care (ADC) to Day Activity and Health Services (DAHS). The title change is effective on September 1, 2015.

Due to this legislation, the Department of Aging and Disability Services (DADS) will amend Texas Administrative Code (TAC), Title 40, Part 1, Chapter 98. Changes to replace the previous title of ADC in Regulatory Services curriculum, provider self-reporting web pages, DADS internet pages, Provider Investigation Form 3613-A, and other TAC references will be completed as soon as the opportunity permits. DADS Regulatory Services plans on using the term “DAHS licensing requirements” when referencing Chapter 98.

Should you have any questions, please contact the Policy, Rules & Curriculum Development section at (512) 438-3161.

Sincerely,
