Date: July 20, 2016
 To: Day Activity and Health Services (DAHS) Providers
 Subject: Provider Letter No. 16-30 — Retired DAHS Provider Letters

The Texas Department of Aging and Disability Services (DADS) retires a provider letter (PL) if DADS determines the letter is no longer needed. This may occur when the original reason for the letter was temporary or the policy described in the letter has changed or is no longer relevant. The PLs listed below have been retired by DADS, will no longer be available on the DADS website, and should no longer be followed. In addition, DADS is withdrawing any provider letter issued by the Texas Department of Human Services or DADS before 1/1/2002. This means only provider letters that are available on the DADS website at <http://www.dads.state.tx.us/providers/communications/letters.cfm?ftype=ADC> are valid.
