### Medicaid Health Care Services:

All people in managed care receive the same traditional Medicaid services. Some of those services are things such as:

- Doctor and clinic visits
- 24-hour emergency care
- Hospital care
- Surgery
- Ambulance service
- Lab and X-ray services
- Major organ transplants
- Help getting a ride to the doctor
- Hearing tests and aids
- Home health services
- Chiropractors (neck and back doctors)
- Podiatrists (foot doctors)
- Help for drug or alcohol problems
- Dialysis for kidney problems
- Family planning services
- Eye checkups, glasses, and contact lenses
- Shots for children age 20 and younger
- Texas Health Steps medical and dental checkups
- No limit on medicines for children age 20 and younger
- Mental health services (such as counseling)
- Yearly adult checkup

### STAR Program Services:

In addition to the traditional Medicaid health care services, the STAR Program offers more services, such as:

- Health Education classes
- No limit on medicines for adults
- No limit on needed days in a hospital for adults

### Value-added Services:

Every STAR medical plan offers basic Medicaid benefits. The plans in your area also offer extra services. Use this chart to compare the extra services each plan offers its Members. If you have questions about a plan's extra services, call the number under that plan's name.

A "blank" under a plan's name means that the plan does not offer the service listed.
