

Medicaid Managed Care Membership Eligibility Maintenance Activities Survey Due August 14, 2015

Section 533.0077, Senate Bill (S.B.) 200, 84th Legislature, Regular Session, 2015, requires HHSC to develop and implement a statewide effort to assist recipients who satisfy Medicaid eligibility requirements and who receive Medicaid services through an MCO with maintaining eligibility and avoiding lapses in coverage. As a part of this requirement HHSC must require each MCO to assist members in maintaining eligibility.

HHSC recognizes that many Medicaid MCOs already employ strategies to support continuous coverage. We would like your input on these activities as we consider implementation strategies for this provision of S.B. 200.

HHSC requests all MCOs complete the survey at <https://www.surveymonkey.com/r/HRQTXYV> by close of business on **August 14, 2015**.
