

## **Managed Care Organization Contacts For Regional Healthcare Partnerships Due August 21, 2015**

In an effort to further align and collaborate between Medicaid managed care and Delivery System Reform Incentive Payment (DSRIP) projects, HHSC would like to provide the Regional Healthcare Partnership (RHP) anchors with the best contact to work with at managed care organizations. The anchors are the primary point of contact for HHSC in the region and are a resource and communication hub for regional providers. Many DSRIP providers have expressed interest in working with managed care organizations to enhance collaboration, explore value-based purchasing arrangements, and align quality goals.

### **CONTACT REQUEST**

Please provide the email and phone number of the best contact at your plan to work with RHP anchors no later than **close of business Friday, August 21, 2015**, to Emily Sentilles at [Emily.Sentilles@hhsc.state.tx.us](mailto:Emily.Sentilles@hhsc.state.tx.us) and copy your Health Plan Management team.
