

TMHP Notices

Texas Medicaid & Healthcare Partnership (TMHP) is offering live webinar training opportunities October 14 through October 21. Topics include Long Term Care (LTC) Community Services Waiver Program, Nursing Facility Preadmission Screening and Resident Review and Minimum Data Set Assessments, and Nursing Facility LTC Forms. More information can be found on the following link:

http://www.tmhp.com/News_Items/2015/10-Oct/October%202015%20Training%20Webinars%20for%20Long%20Term%20Care%20Providers.pdf.

TMHP issued a notice on October 2 notifying providers and MCOs that after December 11, 2015 Internet Explorer 11, Google Chrome, or Mozilla Firefox will be the only browsers supported for access to TMHP applications, like the Long Term Care online portal. The notice can be found on the following link:
