

Changes in Provider Termination Report

HHSC would like to provide clarification regarding changes in the provider termination report. For any recently modified MCO reports, such as the Provider Termination Report, MCOs may submit the old format; however, we ask MCOs to implement the new report as quickly as possible. Once an MCO completes the necessary reprogramming, the MCO should resubmit Q1 data in the new template no later than close of business Friday, February 5, 2016.

If you have questions, please contact your health plan management team.
