

MCO Migrant Farmer

The Uniform Managed Care Manual (UMCM) requires MCOs “to maintain accurate lists of Children of Migrant Farmworkers (CMFWs) enrolled in your health plan”. References to this requirement can be found in Chapter 12.2, item 11 and Chapter 12.3, section B of the UMCM. HHSC will be requesting that MCOs provide these lists and will work with MCOs on how and when the information would be provided on an ongoing basis. Until such time as HHSC is ready to gather this information from the MCOs, please ensure that your system and business processes meet the requirements for maintaining accurate lists of the CMFW enrolled in your health plan.
