2) **Contracting Parties.** This contract is entered into between the Department of Assistive and Rehabilitative Services or any authorized successor agency (4800 N. Lamar Blvd., Austin, Texas, 78756), hereafter referred to as DARS, and:

Legal Name of Contractor

Mailing Address

Street Address (if different)

City and ZIP code

Telephone

Fax number

Contact Person (hereafter referred to as the "contractor")

3) **Order of Precedence.** In the event of conflicts or inconsistencies between this contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority: the signed contract (or notice of award), attachments to the contract (or notice of award), request for proposals, and respondent's response to request for proposals.

4) **Sovereign Immunity.** 1) Nothing in this contract shall be construed as a waiver of the state's sovereign immunity. This contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. DARS does not waive any privileges, rights, defenses, or immunities available to DARS by entering into this contract or by its conduct prior to or subsequent to entering into this contract.

5) **Severability.** In the event that any provision of this contract is later determined to be invalid, void, or unenforceable, then the remaining terms, provisions, covenants, and conditions of this contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.

6) **Survival of Terms.** Termination of the contract for any reason shall not release the Respondent from liability or obligation set forth in the contract that is expressly stated to survive any such termination or that by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, invoice, and fees verification.

7) **Funds Availability.** This contract is subject to the availability of state and/or federal funds appropriated for the purposes of this contract. If funds are not appropriated or made unavailable or if available funding is reduced, DARS will provide the contractor with written notice of termination or any necessary payment suspension, or funding reduction. The contractor will have no right of action against the State of Texas or DARS in the event that DARS is unable to fulfill its obligations under this contract as a result of a lack of sufficient funding.

8) **Amendments.** This contract represents the entire agreement of the parties. Any changes, deletions, extensions or amendments to this contract shall be in writing and signed by both parties, except for unilateral amendments issued by DARS. A unilateral amendment may be provided in writing from the DARS assigned contract manager to the contractor under the following circumstances including, but not limited to:

- a. to correct an obvious clerical error in this contract;
- b. to incorporate new or revised federal or state laws, regulations, rules, or policies;
- c. to change the name of the contractor to reflect the contractor's name, as recorded by the Texas Secretary of State; or
- d. to amend the contact name and address.

9) **Contractor Notification.** The contractor will notify DARS:

- a. within two business days if at any time the contractor is not in compliance with the provisions of this contract. A false statement regarding the contractor's compliance with the terms of this contract may be treated as a material breach of this contract and may be grounds for DARS to terminate the contract; and
- b. at least 60 calendar days before the intended effective date of any change in legal entity status, such as a change in ownership or control, name, legal status with the Texas Secretary of State, or Texas Identification Number issued by the Texas Comptroller of Public Accounts.

10) **Participation of Historically Underutilized Businesses (HUBs).** The contractor shall comply with the HUB requirements identified in the solicitation under which the contractor applied, if applicable.

11) **Assignments.** The contractor may not assign a DARS contract in whole or in part, or any right or duty required under the contract, without first obtaining written approval

from DARS. Unless otherwise approved in writing by DARS, assignment will not release the contractor who is the assignor from the contractual obligations.

Because of [Sunset legislation passed by the 84th Texas Legislature, R.S. \(2015\)](#), this contract may be assigned to either the Texas Workforce Commission (TWC) or to the Health and Human Services Commission (HHSC) or to both. If assigned to both, this contract may become two contracts, which would be administered separately by TWC or HHSC, as assigned.

12) Subcontracting. The contractor accepts liability and retains responsibility for the performance of subcontractors providing services under the terms of this contract. Subcontractors providing services under the contract shall meet the same requirements and level of experience as required of the contractor. No subcontract under the contract will relieve the contractor of the responsibility for ensuring that the requested services are provided. The contractor accepts responsibility for compensating any party with whom the contractor enters into a subcontract to provide services under the terms of this contract. If the contractor uses a subcontractor for any or all of the work required, the following conditions will apply:

- a. contractors planning to subcontract all or a portion of the work to be performed shall identify the proposed subcontractors;
- b. subcontracting shall be conducted solely at the contractor's expense;
- c. DARS retains the right to check a subcontractor's background and approve or reject the use of submitted subcontractors;
- d. The contractor shall be the sole contact for DARS; and
- e. The contractor shall list a designated point of contact for all DARS inquiries

13) Independent Contractor. The contractor, contractor's employees, representatives, agents, and any subcontractors shall serve as the independent contractor with respect to DARS in providing services under this contract, and as such the contractor's employees are not employees of DARS, are not eligible for DARS employee benefits, and shall not represent themselves as DARS employees. The contractor is responsible for providing all legally required unemployment and workers' compensation insurance for the contractor's employees.

14) Insurance. The contractor represents and warrants that it will, within five business days of the execution of the contract, provide DARS with current certificates of insurance or other proof acceptable to DARS of the insurance required by this contract. As applicable to the contract requirements, the contractor's insurance coverage must be in effect for the complete term of the contract. If the required insurance coverage policies expire during the term of the contract, to include any subsequent contract extensions, the contractor must provide DARS' contract manager with a new insurance certificate at least 10 business days prior to the expiration of the existing insurance coverage. The certificate must show that the terms and financial amounts of the insurance coverage comply with the contract requirements and will become effective as of the expiration date and time for the existing coverage. The contractor is responsible for notifying the DARS' contract manager within five business days about any

cancellation, non-renewal, or material change in insurance terms that affects required insurance coverage. In the event that the contractor fails to keep in effect at all times the required insurance coverage, DARS may, in addition to any other remedies it may have, terminate the contract, subject to the provisions of the contract. The contractor is responsible for any deductible or self-insured retention requirements in the required insurance coverage.

15) **Disclosures under the Act.** The contractor's records related to this contract are subject to the requirements of [Texas Government Code, Chapter 552, Public Information \(the Public Information Act\)](#). Pursuant to [Texas Government Code, Section 2252.907](#), the contractor agrees to make information not otherwise exempted from disclosure under [Chapter 552](#) available in a format specified by DARS and accessible by the public.

16) HOLD HARMLESS AND INDEMNIFICATION. CONTRACTOR WILL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE STATE OF TEXAS, DARS, AND ITS OFFICERS AND EMPLOYEES FROM ANY CLAIMS, ACTIONS, SUITS, DEMANDS, PROCEEDINGS, COSTS, DAMAGES, AND LIABILITIES, INCLUDING, WITHOUT LIMITATION, ATTORNEY'S FEES AND COURT COSTS CONNECTED WITH ANY ACTS OR OMISSIONS OF CONTRACTOR OR ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER IN THE EXECUTION OR PERFORMANCE OF THIS CONTRACT. CONTRACTOR WILL COORDINATE ITS DEFENSE WITH THE TEXAS ATTORNEY GENERAL AS REQUESTED BY DARS. THIS PARAGRAPH IS NOT INTENDED TO AND WILL NOT BE CONSTRUED TO REQUIRE THE CONTRACTOR TO INDEMNIFY OR HOLD HARMLESS DARS OR THE STATE FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF DARS OR ITS EMPLOYEES ACTING IN THEIR CAPACITY AS AN EMPLOYEE OF DARS. IF CONTRACTOR IS A PHYSICIAN OR PSYCHIATRIST, THE STATE OF TEXAS SHALL INDEMNIFY CONTRACTOR IN ACCORDANCE WITH TEX. CIV. PRACT. & REM. CODE, CHAPTER 104; AND CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS DARS, ITS EMPLOYEES AND AGENTS, ONLY WHEN ACTUAL DAMAGES, AND/OR COURT COSTS AND ATTORNEYS' FEES ARE ADJUDGED AGAINST DARS DUE TO CONTRACTOR'S WILLFUL OR WRONGFUL ACT OR ACTS OF GROSS NEGLIGENCE OR WHEN THE COURT IN ITS JUDGMENT OR A JURY IN ITS VERDICT FINDS THAT CONTRACTOR ACTED IN BAD FAITH, WITH CONSCIOUS INDIFFERENCE OR RECKLESS DISREGARD.

17) **Conflict of Interest.** The contractor warrants that it has no interest and will acquire no direct or indirect interest that would conflict in any manner with its performance under this contract.

18) **Renewal.** If the procurement leading to this contract allows non-competitive renewal, such renewal will be based on DARS' determination that the contractor is in compliance with all terms of the contract, DARS' continuing need for the services, and available funding.

19) Information Security and Confidentiality. The contractor and any of its subcontractors associated with this contract will maintain reasonable and appropriate administrative, physical, and technical safeguards to ensure the integrity and confidentiality of DARS-related information and to protect against any reasonably anticipated threats or hazards to the security or integrity of the information and unauthorized use or disclosure of the information in accordance with applicable federal and state laws, rules, and regulations and DARS policies and procedures.

Both the governmental and non-governmental versions are published on the DARS Contracts and Procurement page at <http://www.dars.state.tx.us/business/index.shtml>.
 - e. Exception to requiring the DUA: The DUA is not required for the contract because:
 - The contractor does not access confidential information or the contractor has an approved exemption from use of the DUA.

20) Record Retention. The contractor and any of its subcontractors associated with this contract will retain financial and supporting documents, statistical records, and any

other records pertinent to the services provided under this contract for which a claim or report was submitted to DARS. The records and documents must be kept for three years after the date of submission of the final bill or until all billing-related questions are resolved, whichever is later.

21) **Authority to Audit.** Acceptance of funds under this contract acts as acceptance of the authority of DARS, the State Auditor's Office (SAO), federal funding agency or any successor agency, to conduct an audit or investigation of the contractor or any subcontractors in connection with those funds during the term of the contract and thereafter, as provided by law. Upon request, the contractor and any of its subcontractors associated with this contract will provide DARS, the State Auditor's Office, the federal funding agency, their successor agencies, or any of their duly authorized representatives with any books, documents, papers and records that are directly pertinent to this contract for the purpose of conducting audits, examinations, investigations, or matching funds validations, or for the purpose of making excerpts and transcriptions. The contractor and subcontractors associated with this contract will cooperate fully with the above parties in the conduct of an audit, examination, investigation, funds validation, or the making of excerpts and transcriptions. The contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the contractor; the requirement to make books, records, documents and papers; and the requirement to cooperate is included in any subcontract that the contractor awards under this contract.

22) **DARS Monitoring.** The contractor and any subcontractors associated with this contract agree to permit on-site monitoring visits and desk reviews, as deemed necessary by DARS to review all financial or other records and management control systems relevant to the provision of goods and services under this contract. - c. The contractor agrees to comply with [Title VI of the Civil Rights Act of 1964](#), and its implementing regulations at [45 C.F.R. Part 80](#) or [7 C.F.R.  - viii. Referral of Debt to IRS for Tax Refund Offset [45 C.F.R. 31](#).

25) **Anti-Trust.** In accepting the contract, the contractor certifies and agrees as follows:

27) Withholding/Recoupment of Payments. DARS may withhold or recoup payments due or paid under this contract, in whole or in part, in the event of the contractor's noncompliance with any term or provision of this contract, any federal or state law or regulation, or any DARS rules or standards, including but not limited to the requirements specifically stated in this contract, relating to the contractor's performance under this contract, as pursuant to [Title 1 Texas Administrative Code \(TAC\), Chapter 392 Purchase of Goods and Services for Specific Health and Human Services Commission Programs, Subchapter D, DARS Contract Management Requirement, Section §392.317](#).

28) Certifications. The certifications below represent material facts upon which DARS relies when contracting for services. If DARS determines that the contractor knowingly made erroneous certifications, DARS may pursue all available remedies in accordance with Texas and Federal law.

- a. If this is a contract for goods or services that equals or exceeds \$25,000 or a grant or a subgrant in any amount, then the contractor/grantee agrees as follows:

Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts

- i. Neither the contractor nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency or by the State of Texas.
- ii. The contractor will include this certification statement (provided in item i, directly above), without modification, in all covered subcontracts and solicitations for all covered subcontracts.
- iii. The contractor will not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DARS or other federal department or agency, as applicable.

- iv. A contractor may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless the contractor knows that the certification is erroneous. A contractor must, at a minimum, obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
 - v. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this contract certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business.
 - vi. Except for contracts authorized under this paragraph 28(a)iii of these terms, if a contractor in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, DARS may pursue available remedies, including suspension and/or debarment.
 - vii. The contractor will provide immediate written notice to DARS if at any time the contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
 - viii. Where the contractor is unable to certify to any of the statements in this certification, the contractor shall attach an explanation to this contract.
- b. If this contract (including all subgrants or subcontracts) equals or exceeds \$100,000 the Contractor/grantee agrees as follows:

- ii. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative

agreement, the undersigned shall complete and submit [Standard Form-LLL](#), Disclosure Form to Report Lobbying, in accordance with its instructions.

- iii. The contractor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
- iv. This certification of the statements in paragraph 28 (b) is a material representation of fact upon which reliance was placed by DARS when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by [Section 1352, Title 31, U.S. Code](#). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

29) Prohibited Responses and Contracts. Under Government Code, sections [2155.006](#) and [2261.053](#), as applicable, the vendor or contractor certifies that the individual or business named in this contract is eligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.

31) Buy Texas. In accordance with [Texas Government Code §2155.4441](#), the State of Texas requires that during the performance of a contract for services, the contractor will purchase products and materials produced in the State of Texas when available at a price and time comparable to products and materials produced outside of the state.

32) Force Majeure. DARS may grant relief from performance of the contract if the contractor is prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of the contractor. The burden of proof for the need of such relief shall rest upon the contractor. To obtain relief from performance of the contract based on force majeure, the contractor shall file a written request with DARS. The contractor must provide DARS with proof of force majeure in writing within five business days of the contractor's failure to perform in accordance with the contract on the basis of force majeure or otherwise waive this right as a defense.

33) Dispute Resolution. Disputes and claims for breach of contract against DARS or the State of Texas under this contract will be resolved under the laws of the State of Texas, the [Texas Government Code Chapter 2260](#) and DARS rules, policies, and procedures.

34) **Failure to Perform.** If the contractor fails to perform in accordance with the provisions of this contract, DARS may upon written notice to the contractor, take adverse action against the contractor, up to and including terminating the contract in whole or in part. If notice of termination is given, all work by the contractor shall cease on the effective date of the termination, and DARS will not pay for work performed on or after the effective date of termination. Such termination shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided by law or under this contract. Adverse action, including termination, may result from, but is not limited to:

- a. violation of the terms of this contract;
- b. any evidence of abuse, neglect, or exploitation of consumers receiving services from the contractor as substantiated by an investigation conducted by the contractor, an external regulatory agency, or DARS;
- c. any information giving DARS reason to believe that the health or safety of DARS consumers is compromised;
- d. any change in ownership or change in control that DARS believes would adversely affect the delivery of services;
- e. any real or apparent conflict of interest giving DARS reason to believe that continuation of the contract is not in the best interest of DARS, the state, or DARS consumers; or
- f. any violation of state or federal law.

35) **Contract Termination.** This contract may be terminated by mutual consent or by either party within 30 calendar days, with written notice. DARS "Notice of Termination" will be delivered to the contractor, specifying the extent to which performance of work under the order is terminated and the date upon which the termination becomes effective. DARS shall not be liable to the contractor for any work done or materials purchased after termination or for lost profits or other damages. The right to terminate is in addition to and not in lieu of the rights provided to DARS by this contract.

36) **Contract Terms.** The terms of this contract are accepted by the parties of the contract. By signing this contract, the persons signing the contract are certifying that they are authorized to obligate the party for whom they are signing to the terms of the contract.
