

# Nurses: Key IDT Members for an ICF/IID's Success

Presented by  
Department of Aging and Disability Services  
(DADS) Regulatory Services 2/2015

# INTRODUCTION

The role of the nurse in the ICF/IID program is autonomous, specialized and multi-faceted.

# LEARNING OBJECTIVES

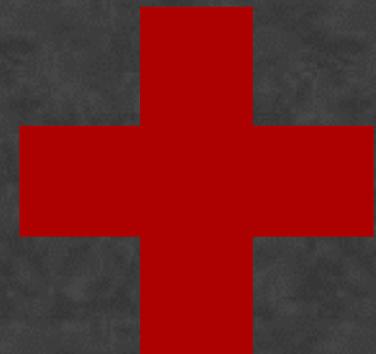

In this presentation, you will:

- identify multiple roles of the nurse;
- identify the health care requirements of the nurse;
- identify the six fundamental tags used for determining the Health Care Services Condition of Participation (CoP); and
- identify the nurse's responsibility in the requirements of the CoP.

# TEXAS BOARD OF NURSING

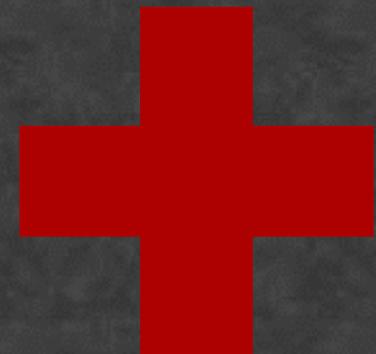

The Texas Board of Nursing stipulates that a comprehensive nursing assessment must be completed by a registered nurse and is not within the scope of practice of a licensed vocational nurse (LVN).

The Code of Federal Regulation (CFR) does not make a distinction between an RN and LVN.

# TEXAS BOARD OF NURSING

Rules for the LVN at Texas Administrative Code (TAC), Title 22, Part 11, Chapter 217, §217.11(2)(A)-(C) state that the LVN practice is a directed scope of nursing practice under the supervision of a RN, advanced practice registered nurse, physician's assistant, physician, podiatrist, or dentist.
