offers exciting and rewarding
opportunities for professionals
who are licensed as:

- ~ Speech Language Pathologists
- ~ Physical Therapists
- ~ Occupational Therapists

early childhood intervention
eci

Department of Assistive and Rehabilitative Services
Division for Early Childhood Intervention Services

Working in an ECI program means you will form collaborative relationships with families and work on interdisciplinary teams with other professionals.

Working in an ECI program means you will plan and implement intervention programs for families whose children have a wide range of disabilities and challenges.

Working in an ECI program means you will apply your discipline-specific therapeutic knowledge by providing direct, consultative and collaborative intervention services.
