

Behavioral Health Services Call with Medicaid MCOs On May 25, 2016

On **Wednesday, May 25th 2pm-3pm**, HHSC is hosting a call with all MCOs related to behavioral health services within managed care. The call will include a policy update on Screening Brief Intervention Referral to Treatment (SBIRT) and an overview of Health Behavior Assessment and Intervention (HBAI). Staff will also provide an update on refining the mental health rehabilitation and mental health targeted case management benefit. Finally, staff will review key requirements in delivering mental health rehabilitation and mental health targeted case management.

Please ensure that your MCO has programmatic representation on this call. For any questions, please contact Allen.Pittman@hhsc.state.tx.us. An agenda with call-in information and other materials will be provided at a later date.
