

## Request for Information Regarding Zika Due June 10, 2016

To facilitate discussion during the STAR/CHIP conference call on June 16, 2016, HHSC requests all STAR MCOs to provide responses to the questions below by close of business on **Friday, June 10, 2016** to [daniela.deluna@hhsc.state.tx.us](mailto:daniela.deluna@hhsc.state.tx.us) and copy your health plan team.

1. Is your health plan including any Zika related questions in member health risk assessments?
2. Is your health plan conducting any education to members regarding Zika? If so, how are you reaching out to members?
3. Is your health plan providing any additional education or training to providers regarding Zika?
4. What additional information or assistance do you need from HHSC?
